(Space above this line for Recorder's use only)

ACCEPTANCE OF PUBLIC IMPROVEMENTS
(*Huntington Beach Zoning and Subdivision Ordinance Section 255.22*)

PLEASE TAKE NOTICE THAT, on March 18, 2026, the City Engineer considered the subdivision improvements described below, and found them to have been completed satisfactory and accepted, as limited by *Huntington Beach Zoning and Subdivision Ordinance Section 255.22(A)*, the improvements for public use.

Further, the public improvements for the subdivision(s) have been dedicated to the City of Huntington Beach, as described on Final Tract Map No. 19118.

Public improvements constructed consist of:

- a. Curb, gutter, and sidewalk along the project's perimeter public streets (Holly Lane, Garfield Avenue and Main Street); and,
- b. New public water and sewer connections to the existing public mains within Holly Lane per the approved Improvement Plans for this Tract.

The Foregoing instrument is the City Clerk's Original Document Reflecting City Council Action taken at the April 21, 2026 City Council Meeting Submitted for Recordation by the Orange County Recorder.

Attest _____, 2026

City Clerk and Ex-officio Clerk of the City Council of the City of Huntington Beach, California

By _____

CITY OF HUNTINGTON BEACH

By: Acting City Engineer
Joseph Fuentes
