COMMENTS & ADDITIONAL NOTES

Masks don't work KIM. Stop letting the bullys who think they work get to your head. It's self accountability and people should have and know more of that. To each their own.

Status Changed: 02/01/2021 8:42 AM

Sandra Frakes

Work Order #514232 status has changed from new to resolved.

Thank you for your message. The COVID-19 pandemic has been a great source of anxiety for our community, and we can certainly understand your concerns about the use of face coverings. However, please note that we will always follow recommendations from the Orange County Health Care Agency (OCHCA), California Dept. of Public Health (CDPH), and the CDC to protect the community's health. On June 18th, the State Department of Public Health mandated the use of face coverings, and we are asking for voluntary compliance at this time, due to limited resources of our Police Department and the non-criminal nature of the non-use of face coverings. Should you continue to have concerns about people not wearing masks, you may contact the OCHCA for enforcement.

At this time, the State mandate requires face coverings in the following circumstances:

- Inside of, or in line to enter, any indoor public space
- Waiting for or riding on public transportation or paratransit or while in a taxi, private car service, or ride-sharing vehicle;
- Engaged in work, whether at the workplace or performing work off-site,
- Working in any space visited by members of the public, regardless of whether anyone from the public is present at the time;
- Working in any space where food is prepared or packaged for sale or distribution to others; While outdoors in public spaces when maintaining a physical distance of 6 feet from persons who are not members of the same household or residence is not feasible

We understand that some members of our community are opposed to the use of face masks. However, there is significant data indicating that masks have the potential to limit the spread of COVID-19 when used by most members of the public. To protect our overall community, we urge you to wear a mask -
