

CITY OF HUNTINGTON BEACH
CLASS SPECIFICATION

TITLE: CONSTRUCTION INSPECTOR II

PERSONNEL COMMISSION APPROVAL: AUGUST 21, 2019 (Revised)

COUNCIL APPROVAL: AUGUST 20, 2007

JOB CODE:	0463
EMPLOYMENT STATUS:	REGULAR FULL-TIME
UNIT REPRESENTATION:	MEA
FLSA STATUS:	NON-EXEMPT
EEOC CODE:	TECHNICIANS

JOB SUMMARY

Under general supervision, performs inspections related to public works construction projects in the public right-of-way and subdivisions including capital improvements.

SUPERVISION RECEIVED AND EXERCISED

Reports to: Construction Manager

DISTINGUISHING CHARACTERISTICS

Construction Inspector II differs from Construction Inspector I in that Construction Inspector II is the journey-level classification within the construction inspection series and performs the full range of public works construction and capital improvement project inspections. Construction Inspector I is the entry-level classification in the job series and performs the basic range of duties under close supervision.

Construction Inspector II differs from Senior Construction Inspector in that Construction Inspector II performs journey-level construction inspection work while Senior Construction Inspector is the advanced journey-level classification within the construction inspection series and performs the most specialized and complex inspections and assists with the training and overseeing the work of other staff .

EXAMPLES OF ESSENTIAL DUTIES

- Inspects a variety of public works, infrastructure, and capital improvement construction projects to ensure compliance with plans, specifications, contract provisions and City, County, and state codes

CITY OF HUNTINGTON BEACH

CLASS SPECIFICATION

TITLE: CONSTRUCTION INSPECTOR II

- Performs inspections of grading, concrete sidewalk, curbs and gutters, driveway approaches, street lights, traffic signing, asphalt paving, structural road sections, sewage systems, water systems, storm drainage systems, catch basins, culverts, and other work required on permits, subdivision developments and minor contracts
- Reviews plans and specifications of assigned construction projects
- Prepares necessary field records and reports as required for approval of assigned work
- Enforces provisions for public safety, pedestrian and vehicle safety in accordance with Occupational Safety and Health Administration (OSHA) and City standards
- Coordinates work with project managers, engineers, contractors, developers, other departments, other public and private agencies, and all other parties involved
- Investigates complaints and requests related to the inspection requirements of the Public Works Department
- Reports to work as scheduled; maintains regular and consistent attendance record
- Works a variety of schedules including evenings, weekends, and holidays as required
- Travels to offsite locations within and outside the City
