modify, change or rescind work assignments as needed.

MINIMUM QUALIFICATIONS

Any combination of education, training, and experience that would likely provide the knowledge, skills, and abilities to successfully perform in the position is qualifying. A typical combination includes:

Note: All required coursework, certifications, time employed, and other requirements must be completed by the time of appointment

Knowledge of:

- Fire behavior and the principles, practices, and procedures of modern firefighting and fire prevention including rescue, salvage work, and emergency medical, and hazardous materials work
- The operation and maintenance of various types of apparatus and equipment used by the Fire Department
- Geography of the City, the location of water mains and fire hydrants, and the location of major fire hazards in the City

Ability to:

- Supervise the effective use of fire equipment and apparatus

Experience:

Minimum of five (5) years of full-time experience as a Firefighter, Firefighter Paramedic, Fire Engineer, or a combination of these roles with the Huntington Beach Fire Department. One (1) year of full-time experience as a professional Firefighter, Firefighter Paramedic, or Fire Engineer from another municipal, state, or federal agency may be applied towards fulfilling the five-year requirement.

Education:

A high school diploma or G.E.D. equivalent and:

1. CA State Board of Fire Services (SBFS) certification as a Fire Officer **or**
2. Meet all course requirements from the current Procedures Manual for CA State Fire Training (SFT) Company Officer Certification. The task book does NOT need to be opened yet.

Recommended courses that support the development of knowledge and skills:

1. I300: Incident Command System 300
2. S-215 or equivalent
