You don't often get email from julzkitty13@yahoo.com. [Learn why this is important](#)

Resolution no. 2025-18 is an example of what i referred to in my previous email. "Public Service". This seems to have the intention to create unnecessary drama and create further anger and divide among the community. SHAME ON YOU. You're documenting the hateful, mean spirited bully behavior of the redhatters ... better than we can. This will mark your anger, hatred and spiteful antics while in power...briefly.

It is interesting of all of the amendments, you choose "support" it's the 2nd:  
"A well regulated Militia, being necessary to the security of a free State, the right of the people to keep and bear Arms, shall not be infringed"

**AND NOT THE 1ST, which the council should be supporting:**

**Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.**

**We are watching and we will protest and protect our parks, our schools & libraries, our rights, and we welcome diversity. You cannot stop progress and evolution.**
