HOW WILL YOUR QUALIFICATIONS BEST SERVE THE NEEDS OF THE COMMUNITY?

I have worked in industry and academics. I understand the need for industry and business. At the same time I undrestand environmental issues and the need to work together for the benefit of industry and concerns for the environment. While working in the mining industry I was able to bridge the gap between environmental concerns and the need for mining.

WHY DO YOU WISH TO SERVE ON A VOLUNTEER CITIZEN'S BODY?

To become involved in the city where I live and to tie Golden West College (GWC) with its student body to environmental issues facing our beach community. Serve as a mentor for my GWC students and seek greater stewardship and have a vested interest in issues facing this city.
