**Educational Background\***

I have my Associates of science degree

**Professional Licenses and/or Associations\***

I have my Respiratory practitioner license from the Respiratory board of California

**Professional Experience\***

In addition to providing critical care services at a local hospital for over 15 years. I've been a professional photographer for almost as long.

**Special Knowledge or Skills\***

I believe one of my greatest skills is knowing the heart of our great city and capturing moments to share that make our city the envy of the world.

**Civic Interests and/or Service Memberships?\***

I've wanted to help my community since I was very young, I've always felt a calling to help and do good. As a Respiratory Therapist I have had that opportunity and worked tirelessly through the pandemic to do everything I could.

**How will your qualifications best serve the citizen advisory group that you are applying for, and why do you wish to serve on this group?\***

Over the past almost 20 years there has been very few events or celebrations I have missed here in Huntington Beach, and I have captured many of them. I believe through my photography experience and eagerness to show how great this city is I could fulfill my dream of helping celebrate our beautiful city and do more for our amazing community!! Thank you for your consideration and time!

☒ I certify that all statements made on this application are true and correct to the best of my knowledge. I have read and understand the duties and responsibilities of the particular position that I am applying for and authorize the release of this information.
