Remarks	Class IV bike lane in both directions with curb adjacent on-street parking, driveways present for residential property access along segment, higher accident rate than state average for a similar facility. Due to these reasons the posted speed limit is reduced from 35 mph to 30 mph to facilitate the orderly flow of traffic.

R.T.E. 1651

Remarks
Class IV bike lane in both directions with curb adjacent on-street parking, driveways present for residential property access along segment, higher accident rate than state average for a similar facility. Due to these reasons the posted speed limit is reduced from 35 mph to 30 mph to facilitate the orderly flow of traffic.

- # of Lanes Two Three Four Six Other
- Median Raised Painted Painted Center Line
- Bike Lanes Yes No
- Grading Flat Sloped OCFCD Channel
- Parking Yes No
- Land Use Commercial Industrial Residential
