Subject: Closed session: POA and Firefighter Association negotiations
Date: Wednesday, May 27, 2026 9:56:06 PM

Councilmembers:

In past cc meetings various councilmembers have publicly announced meeting with various HB employee associations. The subject matter is never discussed. The POA and Firefighter association have made political contributions to various council members. Those who have received such contributions should recuse themselves from these negotiations.

Sincerely,
Pat Quintana
