COMMENTS & ADDITIONAL NOTES

I would like to know how now the second issue has come up under your leadership of deep corruption. First bench gate and now the former mayor wants action on the pier so you are kicking out a Mom and Pop who have been good citizens for many years. The corruption at city hall is at an all time high and we the citizens want it to stop, we want you to step down if you cannot act with one ounce of integrity! This is a huge blackeye for HB to have this type of underhanded, and guessing pockets lines, situation. Shame on you for not extending the lease and putting it up for bid for one of your buddies, Does he golf with you and the other person who got the bench moved??
