To Whom it May Concern:

On behalf of the Housing Authority of the City of Huntington Beach, we are pleased to support Jamboree's application to the California Department of Health Care Services for Behavioral Health Continuum Infrastructure Program, Round 5: Crisis and Behavioral Health Continuum for the development referenced above.

The Housing Authority recognizes that this project will provide a crucial space to engage unhoused individuals and create a path from homelessness to housing. At the same time, the project will assist in addressing the barriers that have prevented housing in the past.

Jamboree Housing Corporation is a nonprofit housing developer with extensive experience constructing, renovating, financing, operating, and providing meaningful supportive services for all types of affordable and supportive housing communities throughout California.

Thank you for the opportunity to document our commitment to the Jamboree application. If you have any questions, please feel free to contact Jason Austin, Director of Homelessness and Behavioral Health at Jason.Austin@surfcity-hb.org or by phone at 714-374-1704.

Sincerely,

Al Zelinka
Executive Director
