

CITY OF HUNTINGTON BEACH
CLASS SPECIFICATION

TITLE: FIRE CAPTAIN

PERSONNEL COMMISSION APPROVAL: COUNCIL APPROVAL:	(Revised) OCTOBER, 1975
JOB CODE: EMPLOYMENT STATUS: UNIT REPRESENTATION: FLSA STATUS: EEOC CODE	0101 REGULAR FULL-TIME HBFA NON-EXEMPT PROFESSIONALS

DUTIES SUMMARY

To administer the operations of a fire company or program activity in order to protect the lives and property of citizens.

EXAMPLES OF ESSENTIAL DUTIES:

- Administers the day-to-day operations of a particular fire company including the supervision of fire company personnel, the operation and maintenance of fire equipment, apparatus, and station facilities
- Responds to alarms received; directs the routes to be taken to the fire, and assumes command of the fire control activities until relieved by a superior officer
- Plans, supervises, and conducts individual and company training activities
- Develops Community Risk Reduction strategies, maintenance and training programs as assigned
- Compiles records and writes reports relative to personnel, emergency responses, inspections, station facilities, and other related activities
- Coordinates and supervises fire company Community Risk Reduction programs
- Enforces and implements all department policies, regulations, and procedures
- Conducts preliminary fire investigations to establish cause and point of origin
- Conducts pre-fire planning surveys and develops fire ground methodology
- Performs other related duties

The preceding duties have been provided as examples of the essential types of work

CITY OF HUNTINGTON BEACH
CLASS SPECIFICATION

TITLE: FIRE CAPTAIN

performed by positions within this job classification. The City, at its discretion, may add, modify, change or rescind work assignments as needed.

MINIMUM QUALIFICATIONS

Any combination of education, training, and experience that would likely provide the knowledge, skills, and abilities to successfully perform in the position is qualifying. A typical combination includes:

Note: All required coursework, certifications, time employed, and other requirements must be completed by the time of appointment

Knowledge of:

- Fire behavior and the principles, practices, and procedures of modern firefighting and fire prevention including rescue, salvage work, and emergency medical work and hazardous materials
- The operation and maintenance of various types of apparatus and equipment used by the Fire Department
- Geography of the City, the location of water mains and fire hydrants, and the location of major fire hazards in the City

Ability to:

- Supervise the effective use of fire equipment and apparatus.

Experience: Minimum of five (5) years of full-time experience as a Firefighter, Firefighter Paramedic, Fire Engineer, or a combination of these roles with the Huntington Beach Fire Department. May substitute one (1) year of full-time experience as a professional Firefighter, Firefighter Paramedic, or Fire Engineer from another municipal, state, or federal agency towards fulfilling the five-year requirement.

License/Certificates: Valid California driver license.

California State Fire Training certification as a Chief Fire Officer **or** California State Fire Training, Company Officer certification **or** Completion of Company Officer six course plan including:

1. Company Officer 2A: Human Resources Management
2. Company Officer 2B: General Administration Functions
3. Company Officer 2C: Fire Inspections and Investigations
4. Company Officer 2D: All-Risk Command Operations
