Dear Mayor Van der Mark, Mayor Pro Tem Burns, and City Council Members,

I hope you will support the lease for the Huntington's on the Pier project. I have been excited about the concept ever since I first learned about it. A destination on the pier that is unique and created by locals is going to be a great addition to the landmark. I walk the pier often and always take family and friends from out of town there. I am looking forward to the restaurant becoming my new favorite place to frequent with friends.

Respectfully,

Dear Mayor and City Council Members,

As a resident of Orange County and a frequent visitor to Huntington Beach - in fact I was on the beach again last weekend for fitness festival Wodapalooza - I love the natural beauty and diversity the HB Pier holds.

Knowing there is a strong chance of adding a new dining and entertainment venue, Huntington's on the Pier, to the historic and picturesque landmark, I encourage you to vote in favor or extending a lease to this dynamic and exciting new venture.

A family-oriented dining space, with spectacular exposure to sun, surf and sand, is a gem, an absolute treasure and community accessible source of new sales tax revenue while offering visitors and residents alike another fine dining option on our beautiful Pacific Coast.

Thank you for your thoughtful consideration on granting a lease to Huntington's on the Pier.

Sincerely,

Hello Mayor Van der Mark, Mayor Pro Tem Burns and City Council Members,

I am writing to express my wholehearted support for the new restaurant project for our landmark pier in Huntington Beach. Having been a resident of this community for over 25 years, I have witnessed the growth and development of our city. The addition of a new restaurant with outdoor dining would be a valuable and much needed enhancement to our coastal area.

The outdoor dining aspect will allow local residents and visitors to savor the beauty of our coastline. providing a memorable experience. Also, this project will generate employment opportunities for our community, further contributing to our local economy.

I kindly request that you consider this project favorably, as it aligns with our vision for a thriving coastal community. This new restaurant will not only serve as a culinary delight but also become a cherished part of our iconic pier.

Thank you for your time and consideration.

Upon following this new venture, it seems ideal to not want to showcase our beloved landmark pier, its quintessential views of HB, breathtaking sunsets, sound of waves and all-around HB atmosphere; From our residence to visiting tourist, what a better way to add to our city than a locally owned restaurant that give you a place to make memories, bring family and friends alike.

Dear Mayor & City Council Members,

I respectfully request that you please vote to approve the Huntington's on the Pier lease.

Huntington's on the Pier, with its panoramic views, out door dining & local ownership will be a great addition to our Landmark HB Pier.

Thank you,
Brad Kruzan

Hello Mayor & City Council Members,

Please vote to approve the Huntington's on the Pier lease.

Huntington's on the pier will be an excellent addition to the Huntington Beach Pier. It is a much needed complement to the area and could help enhance the flow, look and activity.

Thank you,
Deanna Falchook
