

DRAFT MOBILITY PLAN CIAB/PUBLIC WORKS COMMISSION

July 17, 2024

PURPOSE AND NEED

HB in Motion is an effort to identify an aspirational plan for improving the quality of mobility options and expand mobility options for residents and visitors.

PREVIOUS REVIEW

- **Presented to CIAB/PWC in May**
- **Additional reviews by staff**
 - A total of 20 comments were received
 - Response matrix prepared along addressing the disposition of each comment
 - Generally minor comments/edits – typically included some text revisions or an explanation for why edits were not made

FINAL IMPLEMENTATION PLAN

- Reference document for staff and consultant use in developing/ preparing improvement plans
- Guiding document to help reinforce continual need to consider accommodations for all users of City facilities
- Not a prescriptive document – specific treatments are not a requirement
- Supporting document for use in developing/prioritizing mobility-related grant efforts
