Thank you Carol.

Tony was elected in 2022, not when Moser ran in 2024.

Dear Council Members,

Due to the polarized and contentious atmosphere in our city, it makes sense to replace Tony Strickland's position with somebody who speaks for other voices in the community. At this point, many (myself included) feel there is nobody in our city government representing their interests due to the 7-0 MAGA council and committees and commissions filled with their political appointees.

It's for this reason I propose that you select the individual who received the next highest number of votes last November, in other words fourth place. Please consider appointing Natalie Moser. (Natalie Moser received 39,700+ votes in 2024---more than she did in her previous election when she won!) Natalie has the civic government experience and community support needed to bring HB citizens together to help make Huntington Beach a stronger city.
