ADMINISTRATIVE ITEMS

1. 24-465 Approved the Submission of One Charter Amendment Ballot Measure for Voter Approval for the November 5, 2024, General Election and the Adoption of Resolution Nos. 2024-38, 2024-39, and 2024-40

Jennifer Carey, Acting Deputy City Manager, presented a PowerPoint communication titled *Proposed Charter Amendment Measure*, with slides entitled: *Background, Proposed Charter Language, Proposed Ballot Question, and Recommended Action*.

Councilmember McKeon stated the genesis for this item occurred last year immediately after the four newly elected Councilmembers were sworn in and discussion ensued on the 13,368 state-mandated Regional Housing Needs Assessment (RHNA). He explained that the 20% inclusionary rate the state demands of development projects, or 8,000 units, must be at one of three levels of affordability, so 8,000 divided by the 20% inclusionary rate results in 41,000 units. In addition, Councilmembers were expected to sign a Statement of Overriding Consideration which stated that the 13,368 housing units were more important than the significant and unavoidable, and in some cases permanent, negative impacts to the environment. He added that statement is totally opposite of his personal convictions and found it appalling that the state was trying to force his hand on the issue. He noted that the negative impacts could include roads, infrastructure, water table, air quality, and traffic among others.

Councilmember McKeon stated that there are three high levels of threshold that must be met before an item would be submitted to the voters: 1) Must be a City-initiated General Plan update or zoning change. This will not affect any private sector projects that pursue a zone change or General Plan update, or any existing Specific Plans; 2) There must be an accompanying Environmental Impact Report (EIR); and, 3)

the EIR must state that the proposed General Plan update or zoning change presents significant and unavoidable negative environmental impacts.

A motion was made by Burns, second Van Der Mark to consider the proposed Charter amendment ballot measure, ballot language, and exhibits for placement on the November 5, 2024, General Municipal Election ballot for voter approval; adopt Resolution No. 2024-38, "A Resolution of the City Council of the City of Huntington Beach, California, Ordering the Submission to the Qualified Electors of the City a Certain Charter Amendment Measure Relating to Environmental Protection at the November 5, 2024, General Municipal Election as Called by Resolution 2024-34;" adopt Resolution No. 2023-39, "A Resolution of the City Council of the City of Huntington Beach, California, Setting Priorities for Filing Written Arguments Regarding a City Measure and Directing the City Attorney to Prepare Impartial Analysis of the Measure to be Submitted to the Voters at the General Municipal Election to be Held on Tuesday, November 5, 2024" **as amended to note that Councilmembers Burns, McKeon and Van Der Mark will author the supporting argument**, and, adopt Resolution No. 2024-40, "A Resolution of the City Council of the City of Huntington Beach, California, Providing for the Filing of Rebuttal Arguments for a City Measure Submitted at Municipal Elections."

The motion **as amended** carried by the following roll call vote:

- AYES: Burns, Van Der Mark, Strickland, and McKeon
- NOES: None
- ABSENT: Moser, Bolton, and Kalmick
