

# **South Coast Air Quality Management District Grant**

May 7, 2024

# BACKGROUND

- The downtown electric shuttle service agreement, Circuit Transit, Inc., was approved for a two-year contract effective January 2024. Staff was directed to obtain grant funding for the majority of the contract.

# Details

- The AB 2766/MSRC Microtransit Service Grant Agreement with the South Coast Air Quality Management District for the downtown shuttle service agreement funding for Circuit Transit, Inc. will fund \$279,186 of this contract amount.
- Previously approved funding was in the form of an Orange County Transit Authority Project V grant of \$806,240 (126390001.69505) and In-Lieu Parking Fee funds of \$100,000 (30885101.69505).
- The remainder of the funding will be supplemented with State earmarks from Senator David Min's Office in the amount of \$350,000.
