I nominate Leyla Flores because of her hard work and dedication to our programs over the past two years. She came in at a challenging time a couple years ago when I was without a Coordinator and hit the ground running. Her eagerness and ability to learn quickly has helped advance her knowledge about everything we offer as a department. The past two summers she has been our Summer Day Camp Coordinator leading over 20+ staff. Her leadership skills have really helped our Camp staff excel, providing an excellent experience for our participants. Lately she has been helping out with a grant funded program from the state by leading excursions and assisting with workshops at the Oakview Family Resource Center, building a strong relationship with participants that join.
