City Council Meeting – Council Member Items Report

To: City Council
From: Mayor Casey McKeon

Date: May 5, 2026
Subject: **PROPOSAL TO DONATE HUNTINGTON BEACH AMERICA 250 HATS**

ISSUE STATEMENT

The Huntington Beach Independence Day celebration presents an opportunity to commemorate the America 250 anniversary marking the signing of the Declaration of Independence. As part of this effort, a Huntington Beach America 250 logo is being developed for the celebration that will be unveiled in the coming weeks. I have made limited edition hats with a variation of the Huntington Beach America 250 logo that I would like to donate to the City for sale at City facilities and events and/or distributed as promotional giveaways as part of the Independence Day Celebrations with proceeds going to the City.

RECOMMENDED ACTION

Direct City staff to provide locations at City facilities and upcoming City events to offer this limited-edition Huntington Beach America 250 hat for sale and/or distributed as promotional giveaways as part of the Independence Day Celebrations with any proceeds going to the City.
