

**AGREEMENT FOR SHARING COST OF STATE HIGHWAY
ELECTRICAL FACILITIES WITH CITY OF HUNTINGTON BEACH**

THIS AGREEMENT is made effective this _____ day of _____, 20____, by and between the State of California, acting by and through the Department of Transportation, hereinafter referred to as "STATE" and the CITY of HUNTINGTON BEACH, hereinafter referred to as "CITY" and collectively referred to as "PARTIES"

This Agreement shall supersede any previous Agreement and/or Amendments thereto for sharing State-incurred costs with the CITY.

The cost of operating and maintaining flashing-beacons traffic-signals, traffic-signal systems, safety-lighting, and sign-lighting now in place at the intersection of any State Highway Route and any CITY street/road shall be shared as shown in Exhibit "A".

NOW THEREFORE IT IS AGREED:

1. Basis for Billing:

1.1. It is agreed that monthly billings for flashing-beacons, traffic-signals, and traffic-signal systems shall be based on actual intersection costs, which are as follows:

1.1.1. Maintenance Labor, including overhead assessment, other expenses including, equipment, materials, and miscellaneous expenses

1.1.2. Electrical energy

1.2. It is agreed that quarterly billings for safety-lighting and sign-lighting shall be based on calculated unit-costs derived by averaging STATE's District-wide costs each quarter. Costs are as follows:

1.2.1. Maintenance Labor, including overhead assessment, other expenses including, equipment, materials, and miscellaneous expenses

1.2.2. Electrical energy

1.3. It is agreed that quarterly billings invoiced to CITY for STATE-owned and maintained electrical facilities identified in Exhibit "A" will be based on actual costs paid by STATE, when derived from utility company billings. STATE will bill CITY quarterly in arrears for any CITY share of electrical facilities expenses shown in Exhibit "A".

2. Exhibit "A" will be amended, as necessary by written concurrence of both parties, to reflect changes to the system.

3. STATE costs and expenses assumed under the terms of this Agreement are conditioned upon the passage of the annual State of California Budget by the Legislature, the allocation of

funding by the California Transportation Commission as appropriate, and the encumbrance of funding to the District Office of STATE to pay the billings by CITY.

4. LEGAL RELATIONS AND RESPONSIBILITIES

- 4.1. Nothing within the provisions of this Agreement is intended to create duties or obligations to or rights in third parties not PARTIES to this Agreement or to affect the legal liability of a PARTY to the Agreement by imposing any standard of care with respect to the operation and maintenance of STATE highways and local facilities different from the standard of care imposed by law.
 - 4.2. Neither CITY nor any officer or employee thereof is responsible for any injury, damage or liability occurring by reason of anything done or omitted to be done by STATE, under or in connection with any work, authority or jurisdiction conferred upon STATE arising under this Agreement. It is understood and agreed that STATE shall fully defend, indemnify and save harmless CITY and all of their officers and employees from all claims, suits or actions of every name, kind and description brought forth under, including, but not limited to, tortuous, contractual, inverse condemnation and other theories or assertions of liability occurring by reason of anything done or omitted to be done by STATE under this Agreement with exception of those actions of STATE necessary to cure a noticed default on the part of the CITY.
 - 4.3. Neither STATE nor any officer or employee thereof is responsible for any injury, damage or liability occurring by reason of anything done or omitted to be done by CITY under or in connection with any work, authority or jurisdiction conferred upon CITY and arising under this Agreement. It is understood and agreed that CITY shall fully defend, indemnify and save harmless STATE and all of its officers and employees from all claims, suits or actions of every name, kind and description brought forth under, including, but not limited to, tortuous, contractual, inverse condemnation or other theories or assertions of liability occurring by reason of anything done or omitted to be done by CITY under this Agreement.
5. TERMINATION - This Agreement may be terminated by timely mutual written consent by PARTIES; by either party upon thirty (30) days' notice to the other party.
 6. TERM OF AGREEMENT - This Agreement shall become effective on the date first shown on its face sheet and shall remain in full force and effect until amended or terminated at any time upon mutual consent of the PARTIES or until terminated by STATE for cause.

PARTIES are empowered by Streets and Highways Code Section 114 and 130 to enter into this Agreement and have delegated to the undersigned the authority to execute this Agreement on behalf of the respective agencies and covenants to have followed all the necessary legal requirements to validly execute this Agreement.

IN WITNESS WHEREOF, PARTIES hereto have set their hands and seals the day and year first above written.
