

17th Street Arterial Rehabilitation Project

June 3, 2025

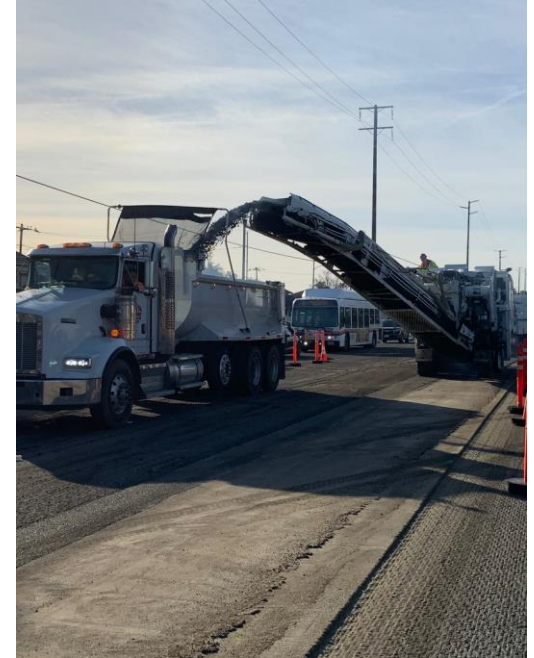

BACKGROUND

- 17th Street (Main Street to Palm Avenue)
 - 0.5 street miles of construction
- Project opened bids publicly on May 8, 2025

NEEDS/WHY/BENEFITS

- This arterial segment has a minimum Pavement Condition Index (PCI) rating of 42 reflecting a very poor condition, warranting rehabilitation.
- New asphalt overlay required to existing pavement for extending life of street
- Replace damaged and uneven concrete
- Construct ADA ramps
- Landscape enhancement with tree replacement
- Drainage improvements
- Striping and signage improvements
- Utility adjustments and cover replacements

FUNDING

- Arterial CIP Funding \$1,952,522.10
- This project will be fully funded by the Road Maintenance and Rehabilitation Account (RMRA)

SCHEDULE

- Construction to commence in Summer 2025
- Construction to finalize in Fall 2025

RECOMMENDATION

- Accept the lowest responsive and responsible bid submitted by All American Asphalt in the amount of \$1,684,111.00
- Authorize the Mayor and City Clerk to execute a construction contract in a form approved by the City Attorney.
