TERM

This Agreement shall commence on the date it is last executed by a party and end on December 31, 2023 unless terminated earlier as set forth herein.

PURPOSE**

1.01 The purpose of this Agreement is to provide public safety helicopter services to Newport Beach's land and residents and for Newport Beach to pay an all-inclusive flat rate per hour for the cost of the services provided by Huntington Beach.

1.02 Nothing in this Agreement shall be interpreted to give Newport Beach a right to services from Huntington Beach. Huntington Beach expressly retains all rights and powers to direct, manage, maintain, train, employ, equip, operate and control all equipment, facilities, properties and personnel in providing public safety helicopter services to Newport Beach pursuant to this Agreement. Newport Beach acknowledges and agrees that the efficient use of public safety helicopter services requires a timely and prioritized response of a helicopter. Newport Beach agrees that Huntington Beach will have the sole discretion to determine the priority of calls for service and when an assignment of an air crew to a call will be terminated.

1.03 Notwithstanding anything in the Agreement to the contrary, the Newport Beach expressly retains all rights and powers to direct, manage, maintain, train, employ, equip, operate and control all equipment, facilities, properties and personnel in providing ground based public safety services to its land and residents.

II

SERVICES

2.01 Huntington Beach will furnish Newport Beach with public safety helicopter services that will include a helicopter aircrew comprised of a pilot and tactical flight officer that are both sworn peace officers and specially trained to conduct public safety helicopter services. Huntington Beach and the helicopter aircrews retain the sole and exclusive discretion as to the specific type, nature, timing and duration of the services performed pursuant to this Agreement.

2.02 Huntington Beach certifies that all helicopter aircrews providing public safety helicopter services to Newport Beach under this Agreement currently possess, and shall maintain for the life of this Agreement, all permits, licenses, certifications, and training required from any federal, state or local governmental entity to provide public safety helicopter services.

2.03 In no event shall Huntington Beach or the helicopter aircrew be responsible for the direction and control of ground based public safety personnel and equipment of Newport Beach during the course and scope of the public safety helicopter services performed pursuant to this Agreement.

2.04 In the event of a natural disaster or local or regional emergency, Huntington Beach shall take all reasonable steps to provide Newport Beach with public safety helicopter service that is dedicated to the exclusive use of Newport Beach. This shall include an obligation on the part of Huntington Beach to "hold over" any on-duty and/or "call in" any off-duty helicopter aircrew(s) or personnel necessary to provide Newport Beach with public safety helicopter service that is dedicated to the exclusive use of Newport Beach. Additionally, in the event of a natural disaster or local or regional emergency, Huntington Beach shall provide Newport Beach with a first right of refusal to have public safety helicopter services prior to allowing or releasing said public safety helicopter services to other governmental agencies for use or deployment during said natural disaster or local or regional emergency.

III

COMPENSATION

3.01 Newport Beach shall pay Huntington Beach for the public safety helicopter services provided on an hourly basis in accordance with the provisions of this Section. Huntington Beach's total compensation for all services performed in accordance with this Agreement shall not exceed Two Million Four Hundred Thousand Dollars and no/100 (\$2,400,000.00) without prior written authorization from Newport Beach. Furthermore, Huntington Beach's total compensation in any single Fiscal Year (defined as July 1st through June 30th) shall not exceed Eight Hundred Thousand Dollars and no/100 (\$800,000.00) without prior written authorization from Newport Beach.

Huntington Beach will also provide Newport Beach with a monthly statement detailing all calls for service and time spent on routine patrol over Newport Beach's jurisdiction. The monthly statement shall include the names of the helicopter aircrew who performed the services, a brief description of the services performed and/or the specific task performed, the date the services were performed, the number of hours spent on all services billed on an hourly basis in tenth of an hour increments.

The Unit Commander and the Chief will review the public safety helicopter service provided by Huntington Beach on an as needed basis to ensure that it coincides with the service level desired by Newport Beach. The Unit Commander and the Chief will be responsible for cooperatively resolving any disputes over services provided under this Agreement and adjusting the service level to coincide with that desired by Newport Beach.

3.05 Should Huntington Beach provide over One Thousand (1000) hours of public safety helicopter services to Newport Beach in any single Fiscal Year under this Agreement, Huntington Beach acknowledges and agrees that it shall not receive any compensation for said services without the prior written authorization from Newport Beach.

3.06 Huntington Beach shall provide public safety helicopter services to Newport Beach at an all-inclusive flat rate of Eight Hundred Dollars (\$800) per hour of service for the first year of service. Commencing on July 1, 2020, the hourly fee for Air Support Services shall be adjusted on July 1 of each year based on the change in the Metropolitan Consumer Price Index. The change will be conducted using the "Consumer Price Index for All Urban Consumers (CPI-U), for the Los Angeles-Riverside-Orange County, California area; All items not seasonally adjusted, 1982-1984=100 reference base." The Huntington Beach Police Chief shall adjust the fees set forth in the MOU by such percentage change and rounded to the next highest dollar amount. Should the Consumer Price Index be revised or discontinued, the Police Chief shall use the revised or a comparable index as approved by the City Council.
