VENDOR NAME + TYPE OF SERVICE

Cannon Corporation will serve as an FULL SERVICE on-call professional, specializing in construction management, materials testing, and inspection. Consultant will serve as CM's, provide testing, and inspectors during various construction projects and will support City staff in a nonpermanent capacity.

TYPE OF AGREEMENT *(Professional Services, Service Agreement)*

On-call Professional Services Agreement (Construction Management, Materials Testing and Inspection Services).

PROCUREMENT

On-call, as-needed, city-funded. There is no obligation to pay for on-call consultant, unless proposal is accepted by City. Maintaining multiple on-call contracts allows for competitive pricing and increases the availability of construction support services for various projects and disciplines.

SCOPE OF WORK

On-call CM, Material Test, and Inspection Services for various CIP funded projects. Scope of work is clearly defined in each individual project proposal/requisition. Specific services are listed in consultants proposal and may vary due to each individual consultants capacity to perform such services.

OTHER: *Bonds, Special Contract Terms, Emergency*

Consultants serve on an as-needed basis with limits to contract duration and predetermined not-to-exceed amounts.
