

Boardriders Café is a locally owned, family-operated small business dedicated to serving our community with high-quality, wholesome food and exceptional hospitality. We proudly offer a healthy breakfast and lunch menu featuring handcrafted pastries, specialty espresso beverages, drip coffee, and fresh-pressed juices.

What sets us apart is our commitment to quality ingredients and scratch-made preparation. We are proud to be a **100% seed oil-free restaurant**, and we smoke and cure our own bacon and turkey in-house. Additionally, all of our sauces and dressings are made from scratch, ensuring our guests receive fresh, flavorful meals made with care.

As we continue to grow, we would like to offer beer and wine service for our guests to enjoy responsibly alongside their meals. Our goal is to complement the dining experience while maintaining the welcoming, family-friendly atmosphere that our customers have come to appreciate. Beer and wine service will be offered **indoors only**. At this time, we do not intend to permit alcoholic beverages on our outdoor patio.

Currently, Boardriders Café is open daily from **7:00 a.m. to 2:00 p.m.**, serving breakfast and lunch. In the future, we hope to expand by offering an intimate dinner service on select evenings each week. This addition will allow us to better serve our community while providing another gathering place for neighbors, friends, families, and visitors.

We are committed to preserving the peaceful quality of life for our neighboring residents and to operating our business in a safe, responsible manner. Alcohol service will be carefully monitored, and our staff will be trained to serve responsibly and in compliance with all applicable laws. We will verify valid identification for all alcohol purchases and will not serve alcoholic beverages to anyone under the legal drinking age. All employees involved in alcohol service will maintain current Responsible Beverage Service (RBS) certification.

To further promote a safe and welcoming environment, our establishment is equipped with surveillance cameras throughout the premises. Any background music will be played indoors at a moderate volume to ensure it does not disturb neighboring businesses or residences. The managing members of Boardriders Café will be readily available to address any concerns or issues that may arise, and we will actively monitor the surrounding property to discourage loitering and maintain a clean, respectful environment.

Community involvement has always been at the heart of our business. We are committed to supporting and partnering with local businesses, schools, churches, public service organizations, elected officials, law enforcement, fire departments, first responders and other community groups. We look forward to continuing these relationships and finding new ways to give back to the community that has supported us from the beginning.

Thank you for your consideration and your continued support as we work to grow Boardriders Café and fulfill our dream of serving our community for many years to come. We appreciate the opportunity to provide a thoughtful, family-oriented dining experience while responsibly expanding the services we offer.
