Subject: June 4, 2024 meeting, Agenda item# 10, Marina Park conceptual plan,
Date: Friday, May 31, 2024 12:49:22 PM

I am a resident in the Circle View neighborhood, right next to Marina Park, and am writing to express my disappointment that the configuration plan has gone from potentially 6 pickleball courts to 2 to now only 1 court. There is clearly a demand for pickleball as shown by the busy courts at Murdy and Sigler parks. I even see people setting up their own nets on the drawn lines at one of the tennis courts. I definitely do not see a need for 8 racquetball courts as even now they are mainly used by tennis or pickleball players practicing against the wall. It seems that pickleball is being suppressed by the city despite the needs of its citizens for physical activity. B This only seems to help paid courts such as the ones at Goldenwest college.

Thank you,
