Hello City Council,

Attached is a photo of another Symphony of Flowers site. This is a huge eyesore, please do not do this to our beautiful Central Park.

Something smaller for the holidays would be nice but not this!!!

Thank you,

Jennifer Jahnke

I am a city resident and I am totally against this. What little wildlife we have left needs to be protected. Central Park is a peaceful oasis. Leave it alone. Please concentrate on repairing our streets.

City council,

Please! What are you thinking. Central Park is such an important environment for our birds and for the mental health of our citizens. It's my favorite place to go to go to see so many bird species. We do not need any more entertainment areas. You have the sports complex! We need Central Park to stay the way it is.

Thank you,
Frances Swolgaard

Dear City Council,

Please please do not touch the park for paid entertainment! Bad enough putting in the sculpture near entrance to secret garden. Why is this council only concerned with making money? Having a beautiful park for locals is apparently meaningless. I hope you get voted out!
