Note:

* Hourly billing rates as identified in current master fee schedule. Hourly rates for Risk Mgmt. set to match Finance/Licensing due to similar administrative review functions for permitting. Code Enforcement / PD Non-Sworn hourly rate based on Code Enforcement Officer I position.

** In addition to the permit amounts shown above, the City's Technology Fee also applies. The Technology Fee is already adopted and incorporated in the City's Master Fee Schedule. No changes are proposed to the Technology Fee
