OPENNESS IN NEGOTIATION DISCLOSURES

Mayor McKeon and Councilmembers Gruel and Williams reported communication with the Huntington Beach Police Officers' Association (HBPOA).

CITY MANAGER'S REPORT

10. 25-928 FY 2023-2027 Strategic Plan — Biannual Progress Update #4

Mayor McKeon noted that this report was tabled from November 2026 to allow an appropriate amount of time for this review.

City Manager Travis Hopkins introduced Assistant City Manager Marissa Sur who provided a PowerPoint communication titled *City of Huntington Beach Strategic Planning 2023-2027*, with slides entitled: *Background, Overview of the Plan, Overall Progress as of December 31, 2025, Goal 1: Economic Development, Goal 2: Fiscal Stability, Goal 3: High Performing Organization, Goal 4: Homelessness, Goal 5: Housing, Goal 6: Infrastructure Investment, Goal 7: Public Engagement, Goal 8: Public Safety, Additional City Council Initiatives, and Major Highlights.*

Throughout this presentation Mayor McKeon and various Councilmembers shared additional details and commended those responsible for the progress being made for the various goals. There was also general discussion on the potential for providing accommodations, housing or possibly sponsorships for the 2028 Olympics.

11. 26-033 STUDY SESSION regarding entering into a Memorandum of Understanding (MOU) with Landify to conduct a feasibility study to enhance an undeveloped area of Huntington Central Park East

City Manager Travis Hopkins introduced Ashley Wysocki, Community and Library Services Manager who in turn introduced Chris Cole, Facilities and Development Manager, and Jonathan Bryden, Landify ECT, President who provided a PowerPoint presentation titled *Purpose of Study Session*, with slides entitled:

Landify – Background (2), Landify – Business Model, Landify - What They Do, Project Example, Proposed Area of Focus, Next Steps (2), and Questions?

Mayor McKeon, Councilmembers Gruel, Williams, Kennedy, Burns, Twining and City Attorney Mike Vigliotta discussed many issues, including the opportunity to reclaim open space; type of contaminants that may need to be remediated; time-line for project to begin; inclusion of public input for design elements; confirming Landify would do the research and report back with a plan of action without requiring any financial commitment from the City; confirming that Landify introduced themselves to Huntington Beach and City staff are not aware of other organizations that operate on that model; review of project steps; Landify is paid for providing clean fill and project cost is dictated by the volume of dirt involved; this project is considered an import site for fresh dirt; the volume of soil actually moved to prepare the land for the project will determine Landify's actual charge (if any) to the City for completion of the project; Landify's intent is to cover the cost of the study and the cost of construction for the project to be built once the land is ready; Landify tries to utilize vendors already known to the City; after an approved MOU, the City can expect a plan for a clean soil platform which meets all California environmental requirements; the City cannot develop the project using Landify's model with another developer; Landify expects to determine within a couple of months after MOU approval whether the project is feasible; footprint of the Sports Complex does not include the gun range space; consideration of Measures C and L will be required; another contract will be required to actually develop the property which would spell out all of the details such as the timeline, environmental analysis and Environmental Impact Report (EIR); the initial MOU will include consideration of regulatory agencies, such as Measures C and L, and California Environmental Quality Act (CEQA) studies to determine project feasibility; clarification to ensure Landify is aware that the Sports Complex is on land that used to be a mushroom farm and landfill; and confirmed Landify will proceed to prepare the site if they have all of their costs covered and can walk away made whole, even if the residents should vote against the project at the end.

12. 26-064 Capital Improvement Project (CIP) Updates

City Manager Travis Hopkins introduced Public Works Construction Manager David Fait who presented a PowerPoint communication titled *CIP Project Summary Report, FY23/24 Sewer Lining Project* with slides entitled: *Project Summary, Project Benefits and Schedule, Financial Project Summary, and Conclusion/Photos.*

13. 26-068 Capital Improvement Project (CIP) Updates

Public Works Construction Manager David Fait presented a PowerPoint communication titled *CIP Project Summary Report, Humboldt Sewer Lift Station* with slides entitled: *Project Summary, Project Benefits and Schedule, Financial Project Summary, and Conclusion/Photos.*

Councilmembers Burns, Gruel, Manager Fait and Director Vu discussed in further detail size of pipes involved in the sewer lining project; use of the new ultralight curing process for sewer pipe lining; and how project contingency amounts are determined. Council members congratulated staff for completing both CIP projects ahead of schedule and under budget. Councilwoman Van Der Mark commended the contractor for the Lift Station project and noted when they were finished the construction site was so clean there was no sign that any construction had taken place.

Councilmember Kennedy confirmed with Director Vu these CIP reports are the fruits of the Transparency for Taxpayers initiative brought forward by Council.

— Approved for Introduction December 16, 2025, by a Vote of 6-0-1 (McKeon-Recused)**

Mayor McKeon pulled this item to recuse himself from voting due to a financial conflict of interest.

Mayor Pro Tem Twining noted this item was discussed and approved for introduction December 16, 2025.

A motion was made by Burns, second Van Der Mark to adopt Ordinance No. 4345, "An Ordinance of the City Council of the City of Huntington Beach Amending the Holly-Seacliff Specific Plan to Rezone the Real Property Located at 19026 Goldenwest Street from Industrial (I) to Commercial (C) (Zoning Text Amendment No. 20-002)."

The motion carried by the following roll call vote:

AYES: Gruel, Kennedy, Twining, Burns, Van Der Mark, and Williams

NOES: None

21. 26-015 Accepted a Completion Bond for Building Improvements Associated with 21 and 22 Main Street on the Huntington Beach Pier

Economic Development Manager Kriss Casanova presented a PowerPoint communication titled *Accept a Completion Bond for Building Improvements 21 & 22 Main Street, Huntington Beach Pier*, with slides entitled: *Overview, Bond Purpose & City Protection, Project Status & Recommendation, and Thank you/Questions?*

Councilmember Burns pulled this item to address his concern that there is no specified completion date or deadline included in the Completion Bond, and noted typographical changes needed in the last paragraph of Page 1. Manager Casanova confirmed the life of the bond is terminated by issuance of the Notice of Completion and added that the updated construction schedule anticipates completion by the end of Summer 2026.

Councilmember Burns confirmed with City Attorney Vigliotta that approving this Completion Bond tonight will have no impact on Council's future determination of whether the project is in default per the contract.

Councilmember Williams and Manager Casanova discussed options for determining the construction schedule and noted extension of the rent abatement is only for three months. Councilmember Williams added it seems counterproductive to approve a Completion Bond for a project that may be in default.

Councilmember Kennedy referenced the initial agreement, including the construction table in Exhibit D, which shows that construction should have been completed by the end of 2025, and he has concern that the project may be in default.

City Attorney Mike Vigliotta confirmed that the Completion Bond assures that if the project is determined to be in default, the City can call the bond and use that money to build the project. City Attorney Vigliotta also clarified that the efficacy of the original contract was not agendized for discussion at this meeting, and this discussion needs to focus only on the Completion Bond. He added that project work cannot proceed until the Completion Bond is approved by Council and any delay will set the project back even further.

Councilmember Kennedy stated his concerns relate to how City leases are being managed, what tenants are held accountable for, and in this situation not wanting to set a precedent of ignoring deadlines.

Mayor Pro Tem Twining stated his support for approving the Completion Bond so that the project can proceed with getting permits and starting construction.

Councilmember Burns and Principal Managing Member Keith Bohr discussed issues related to the delay in asking for approval of the Completion Bond, including working through three State agencies, Orange County Health and various City departments.

Mr. Bohr noted that the Completion Bond must be approved before any permits can be issued and construction started. Staff notified him about six weeks ago that Council needs to approve the Completion Bond and it has taken until now to get this item on the Agenda. He added there is no upside benefit to stalling this project and they are interested in moving ahead as quickly as possible because they have already spent considerable dollars. Mr. Bohr clarified for Councilmember Williams that the Completion Bond was not needed until it is time to pull permits.

Mayor Pro Tem Twining confirmed with Mr. Bohr they had to get the structural and architectural designs completed for things like plumbing, electrical, HVAC and mechanical approved by the City before applying for City permits. Mr. Bohr stated that currently they are in the 5th or 6th round of building plan checks, a process which started in November of 2024, and reiterated there is no need for the Completion Bond until plans are approved. He noted that the Coastal Commission wanted to see City approvals before considering the project, and the approvals also needed to be reviewed by the State's Land Lease Commission (the Pier is owned by the City, however the sand below it is leased from the State). Mr. Bohr noted that the Coastal Development Permit was approved by the Commission on November 16, 2023, but was not actually issued until July 31, 2025.

The meeting went into Recess for several minutes for a medical emergency in Council Chambers.

A motion was made by Williams, second Kennedy to TABLE for 2 weeks the decision to accept a Completion Bond for Building Improvements Associated with 21 and 22 Main Street on the Huntington Beach Pier, and direct the City Manager to provide a project alignment report to reconcile the project's current status with the provisions of the Agreement to ensure the partnership remains in good standing.

The motion failed by the following roll call vote:

AYES: Gruel, Kennedy, and Williams
NOES: Twining, McKeon, Burns, and Van Der Mark

A motion was made by Burns, second Twining to accept the Completion Bond in the amount of \$1.3 million for building improvements associated with 21 and 22 Main Street; and authorize the City Engineer to administer and enforce the bond in accordance with City standards and applicable law, ***as amended by Supplemental Communication.***

The motion carried by the following roll call vote:

AYES: Twining, McKeon, Burns, and Van Der Mark
NOES: Gruel, Kennedy, and Williams

COUNCIL MEMBER ITEMS

22. 26-062 Item Submitted by Councilman Burns and Mayor McKeon — Naming of Patriot Place at the Civic Center

Councilmember Burns introduced this item by describing the area being considered as adjacent to the existing Desert Storm plaque, 9/11 Memorial and War Memorial at City Hall.

A motion was made by McKeon, second Van Der Mark to approve and authorize the naming of the grassy area along the southern side of the Civic Center to be named Patriot Place at the Civic Center.

The motion carried by the following roll call vote:

AYES: Gruel, Kennedy, Twining, McKeon, Burns, Van Der Mark, and Williams
