[Redacted]

**Educational Background \***

Bachelor of Science - Psychology

**Professional Licenses and/or Associations \***

N/A

**Professional Experience \***

Currently manage Utility Commercial Energy Efficiency Program, previously managed Municipal Energy Efficiency Program as well as previous Environmental Board member.

**Special Knowledge or Skills \***

In-depth knowledge of utility regulations, energy efficiency. Professional/working knowledge of renewable energy resources, electric vehicles, and related topics.

**Civic Interests and/or Service Memberships? \***

Previous member of the Environment & Sustainability Board - 2015.

**How will your qualifications best serve the citizen advisory group that you are applying for, and why do you wish to serve on this group? \***

As a technical-facing layperson in my professional life, I have considerable experience distilling the technical issues surrounding energy and utility related subject matters for broader audiences. I believe this would be of service to the Board.

**It is the policy of the City Council to make appointments to the citizen commissions, boards, and committees, based on the needs of the city, as well as the interests and qualifications of each applicant. Selection will be made without discrimination based on the race, creed, gender, or sexual orientation of the applicant.**

**Additional information concerning a particular commission, board, committee, or task force or the application process is available through the staff support department identified above. General questions can be directed to Cathy Fikes, (714) 536-5553.**
