

Drew Park and Robinwood Park Playground Improvements CC-1859 & CC-1823

July 21, 2026 City Council Meeting

Project Overview

- In the CIP FY 2025/26 List of Projects, the playgrounds for both Drew Park, CC1859 and Robinwood Park, CC1823, were approved for replacement. These parks are also both included in the Park Playground & Equipment Replacement List.
- The proposed project for Drew Park will include, the removal and replacement of the play structure, removal of the swings and the installation of a new swing in a new location, and poured-in-place surfacing in both the play area and swing area.
- The proposed project for Robinwood Park will include, the removal and replacement of both play structures, partial poured-in-place surfacing, and sand replenishment for the adventure portion of the play structure.

Analysis

- The playgrounds offer varying warranty packages ranging from 5-year to lifetime specific part warranties, and a 1-year Maintenance Bond.
- Staff reached out to local, qualified, and licensed contractors, advertised the project in the Huntington Beach Wave, and advertised and managed proposals on PlanetBids. A job walkthrough was publicly advertised for June 2, 2026, with twenty (20) firms in attendance.
