COMMENTS & ADDITIONAL NOTES

Hello City Council- as a long time volunteer at Huntington Central Park I would like to request that you approve all funding for Huntington Central Park for 2020/2021 budget period. We understand that the budget will be especially tight this year but we have come too far in our improvements to the park to let it fall back to the devastated park we had only 5 years ago. Please approve the requested Public Works and Community Services CIP's and General Fund budgets for 2020/2021. Your Huntington Central Park volunteers vow to continue to do our part to make HCP the Gem we all want it to be. Thank you!!

The library is such a big part of the community. Please continue to fund it. Without it, there will be no culture in HB.
