HOW WILL YOUR QUALIFICATIONS BEST SERVE THE NEEDS OF THE COMMUNITY?

I believe my three decades of experience working in various capacities professionally and as a citizen at large, mostly on land use related issues makes me uniquely qualified to represent and fight on behalf of our residents to address the on-going noise issues caused by increasing air traffic over Huntington Beach.

WHY DO YOU WISH TO SERVE ON A VOLUNTEER CITIZEN'S BODY?

I have worked professionally, as an elected official and as a volunteer citizen for more than 30 year to make my adopted home of Huntington Beach to be a better place to live, raise a family, work, to recreate for its residents, business owners and tens of millions of annual visitors since moving here in 1987 to work for the City of HB. I plan to die here and will continue to improve its quality of life...
