All Council Members

Notes

Main Street reopening - would like to register a request to have the section of Main Street that has been closed to vehicular traffic remain closed so that residents and tourists can enjoy the businesses and dining options in a safe, pedestrian-only environment. Reopening this section creates a safety issue for patrons and makes this area less desirable. Has any study been done on the impacts to HB sales tax revenue and safety before and during the road closure? Can someone on council help me understand the logic behind reopening the street to vehicular traffic?

Subject: Main Street

As a downtown resident I am so disappointed to see Main Street opened to traffic again, and much of the outdoor dining taken down. I know this was originally temporary, but I literally haven't spoken to ONE person who wants to see it go! HB has so many right wing nut jobs (#1 terrorist threat in America right now) so it is so important to proactively protect our Main street where so many people gather at once. I personally would love to see the first 3 blocks shut down if possible. Look at what happened in Santa Monica- let's be proactive and prevent such things!

I've also heard that surf city nights is on the chopping block. I hope this is not true. We invite friends to HB just to go down and enjoy the evening. Please remember the bottom dollar should not always be the predominate factor; quality and enjoyment of life and community is so vital. Please don't ruin HB.

Thank you,
Deanna

Subject: Main Street

To the Huntington Beach City Council,
Our neighbors on 9th street told us the council is meeting to discuss re-opening Main Street to car traffic. This is a horrendous idea that we are wholeheartedly opposed to. The partial closure of Main Street has made downtown such a better place to live and visit. Please give your support and pledge to keep downtown a desirable place to shop, eat and walk.
Sincerely,
Kendra Larsen
618 10th St.
Huntington Beach

Subject: Main Street

As a long time Hb home owner I think we should put closing Main Street to traffic on the ballot. This was a temporary Covid solution and we now need a permanent solution for all businesses on Main Street.

Thank you
