

## **Emergency Operations Plan Adoption**

Huntington Beach Fire Department  
November 7, 2023

# What is Emergency Operations Plan (EOP)

- HBMC 8.60
- California Emergency Services Act (Gov. Code 8607)
- Standardized Emergency Management System (SEMS)
- National Incident Management System

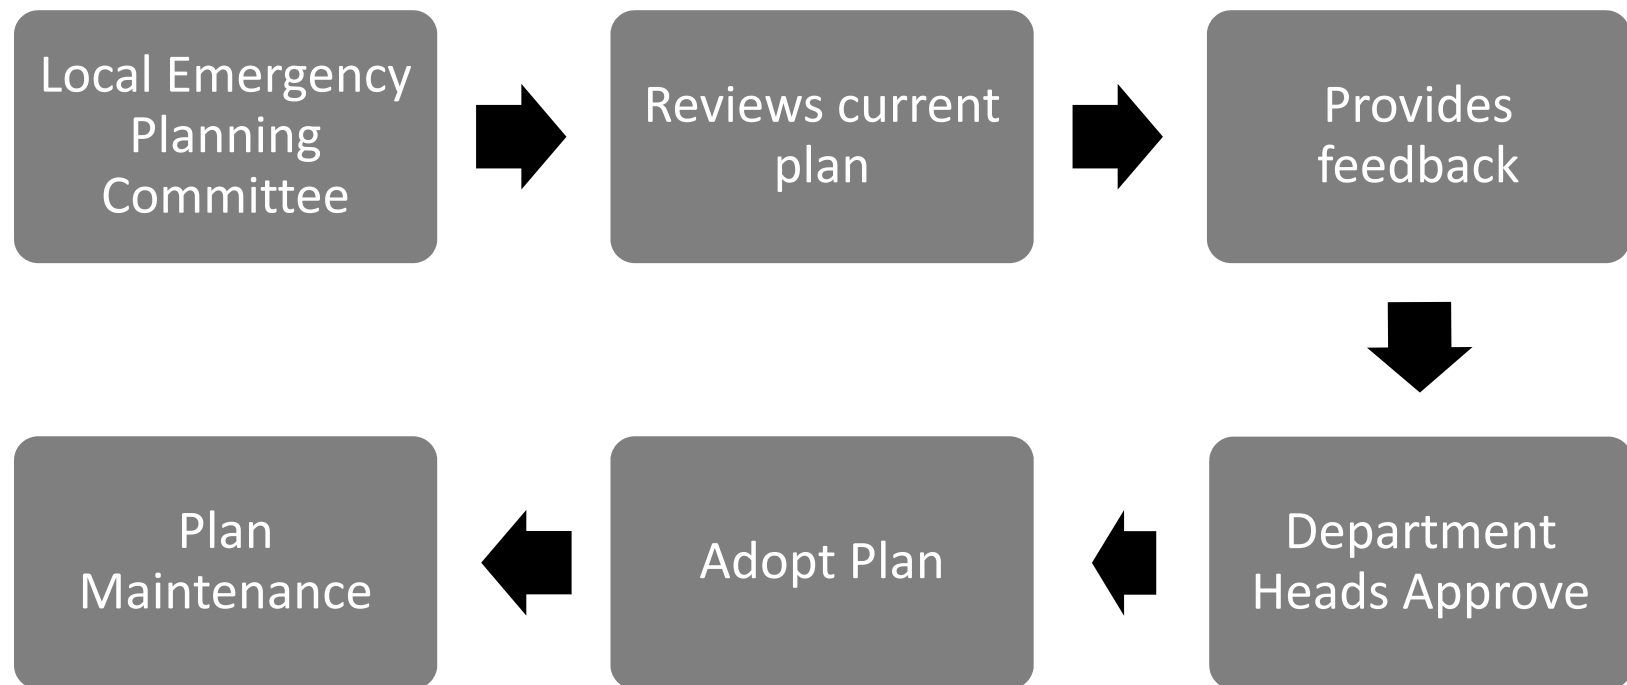

# EOP

- Roles and responsibilities of departments and staff in an emergency
- How the Emergency Operation Center is organized
- Continuity of Government
- Recovery
- Updated every 5 years

# EOP Update Process

# Major Changes

- Reformatted and condensed
- Condensed hazard analysis (Reference to the LHMP)
- Roles and Responsibilities Damages Assessment moved to Operations
- Planning Section (Marine Safety)
- Did not require CA state review
