

RESOLUTION NO. 2026-23

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF  
HUNTINGTON BEACH ADOPTING AN UPDATED MASTER  
FEE AND CHARGES SCHEDULE

WHEREAS, the City Council adopted Resolution 2024-31 establishing the current Consolidated Comprehensive Citywide Master Fee and Charges Schedule (the “Fee and Charges Schedule”); and,

WHEREAS, user and regulatory fees are established by the City Council; and

WHEREAS, the City Council finds that providing these services is of special benefit to applicants both separate and apart from the general benefit to the public; and therefore, in the interests of fairness to the general public, the City desires to better recover the costs of providing these services from applicants who have sought or require the City's services by revising its schedule of fees; and

WHEREAS, the City Council hereby finds that changes in City costs over the last several years, provide adequate evidence to conclude that the revised fees do not exceed the cost to provide the services for which the fees are charged; and

NOW, THEREFORE, the City Council of the City of Huntington Beach does hereby resolve as follows:

SECTION 1. The City Council hereby adopts the fees and charges as set forth in attached Exhibit "A" and incorporated by this reference.

SECTION 2. The City Council authorizes that the City Manager or designee may make annual inflationary adjustments for various fees and charges each July 1, based on the prior year annual percentage change in the all-urban Consumer Price Index for Los Angeles-Long Beach-Anaheim, CA (CPI), not to exceed five percent (5%) per year. If the CPI does not change or goes down in a given year, no change shall be made to the fee schedule that year unless an adjustment is made to targeted cost recovery levels or fee study findings indicate that an adjustment is appropriate. The City’s senior residents shall be exempt from such adjustments.

SECTION 3. Fire and Public Works fees adopted by this resolution shall become effective sixty (60) days after adoption. All other fees shall be effective July 1, 2026.

PASSED AND ADOPTED by the City Council of the City of Huntington Beach at a regular meeting thereof held on \_\_\_\_\_ day of \_\_\_\_\_, 2026.

	For services requested of City staff which have no fee listed in this fee schedule, the City Manager or the City Manager's designee shall determine the appropriate fee based on the established hourly rates for this department/division. Additionally, the City will pass-through to the applicant any discrete costs incurred from the use of external service providers if required to process the specific application.		

**Notes:**

- [1] Actual Costs - using the Fully Burdened Hourly Rates (FBHR), plus any outside consultant costs if applicable
- [2] Includes fire and life safety inspection for common and commercial areas. If the structure meets the definition of "high rise," the "high rise" fee applies in lieu of this fee.
- [3] Required by Civic Code 1202.19 due to new fire maps; Based on other jurisdictions that already do this inspection. One hour time is recommended.
- [4] Condition 1 -- The payment of such fees shall be in addition to other required fees
- [5] Condition 3 -- When the special service is provided as overtime as per the employee's MOU
- [6] Condition 4 -- When the special service is provided as overtime on a normal day off or a typical City holiday, as defined in the City's current Memorandum of Understanding (MOUS)
- [7] Condition 2 -- When the special services is provided during normal work hours, the fee shall be based on the actual time expended, but not less than one-half (1/2) hour
- [8] Fees not included in cost analysis; per Prop 26 - market sensitive, included in fee comparison survey; Per City - no recommended fee changes at this time.
- [9] Penalty; not included in cost analysis
- [10] False alarms include (1) system or detector malfunction, including improper performance of fire alarm system that is not a result of a proper system response to environmental stimuli such as smoke or high heat conditions; and (2) unintentional system or detector operation (no fire), includes tripping an interior device unintentionally. Non-emergency service calls include (1) lock-ins (non-emergency), (2) smoke or odor removal (no fire), (3) removal of a victim from a stalled elevator that has known mechanical issues; (4) other abuses of Fire Department services for repeat non-emergency conditions (excludes medical).
- [11] Emergency Medical Service fees are approved separately using transportation fees adopted by the Orange County Emergency Medical Services Agency and through research by staff for other cost-associated fees.
