CITY OF HUNTINGTON BEACH REQUEST FOR CITY COUNCIL ACTION

MEETING DATE: 1/21/2014
SUBMITTED TO: Honorable Mayor and City Council Members
SUBMITTED BY: Fred A. Wilson, City Manager
PREPARED BY: Kenneth A. Domer, Assistant City Manager
SUBJECT: Approve for introduction Ordinance No. 4008 and authorize execution of a Pipeline Franchise Agreement with Paramount Petroleum Corporation for the operation and maintenance of a pipeline system for the transportation of oil, gas, and other hydrocarbon substances in an existing pipeline system previously owned by Cenco Refining

Statement of Issue:

The City Council is asked to approve a Franchise Agreement between the City and Paramount Petroleum Corporation for the operation and maintenance of an existing pipeline system for the transportation of oil, gas, and other hydrocarbon substances.

Financial Impact:

The City will receive an initial Base Grant Fee (\$11,470), Base Annual Fee (\$117,024 prorated to 75% during inactive status), and a Reinstatement Fee (\$639,753.92 paid over 120 months), to the General Fund (Account Number 10000100.41230). Annual revenue is estimated at \$151,743 and the contract value is estimated at \$1,528,903.

Recommended Action:

- A) Approve for introduction Ordinance No. 4008, "An Ordinance of the City of Huntington Beach Amending Ordinance No. 2615 Which Granted An Oil Pipeline Franchise;" and,
- B) Approve and authorize the Mayor and City Clerk to execute the "Franchise Agreement Between the City of Huntington Beach and Paramount Petroleum Corporation."

Alternative Action(s):

Do not approve the Agreement and direct staff accordingly.

Analysis:

City Council is asked to approve a Franchise Agreement between the City and Paramount Petroleum Corporation (Paramount) for the operation and maintenance of an existing pipeline system used for the transportation of oil, gas, and other hydrocarbon substances. The pipeline system consists of approximately 86,400 linear feet of 6-inch, 10-inch and 12-inch diameter pipe.

Cenco Refining, the former pipeline owner, held the last valid franchise agreement, which expired on December 31, 2005. In August 2006, Alon USA Energy, Inc., the parent company of Paramount, purchased the rights to the pipeline. The pipeline has been idle since its acquisition and is expected to remain idle for the next five to ten years. The proposed Franchise Agreement would allow Paramount to maintain the pipeline on standby and to preserve the pipeline for future use. Without

the implementation of a Franchise Agreement, Paramount would be required to abandon the pipeline and lose its ability to reactive the pipeline in the future.

The proposed Agreement incorporates the changes made to Chapter 3.44 - Pipeline Franchises of the Huntington Beach Municipal Code in 2010. Terms of the proposed Franchise Agreement include:

- Term: 10 years
- Base Grant Fee: \$11,470
- Base Annual Fee: 2014 fee estimated at \$117,024 (75% of Base Annual Fee will be collected during inactive status)
- Maximum Inactive Status Period: 10 years
- Reinstatement Fee: \$639,753.92 (paid over 120 monthly payments of \$5,331.28)
- Corporate Surety Bond of \$100,000
- Liability, Environmental and Workers Compensation Insurance

Staff recommends approval of the Franchise Agreement. The agreement provides substantial general fund revenue, estimated at \$151,743 annually for a ten year period, and ensures continued maintenance and responsibility for a vast pipeline network currently present within City right-of-way.

Environmental Status:

Exempt from CEQA pursuant to Section 15301.

Strategic Plan Goal:

Improve long-term financial sustainability

Reinstatement Monthly Payments may be paid in one month installment payments of \$5,331.28 per month for a consecutive 120 month period. The amount shall be paid pursuant to the schedule set forth in Exhibit D attached hereto and incorporated herein. Beginning January 1, 2014, a base annual fee shall be paid within thirty (30) days after the end of each calendar year during the term of the Franchise Agreement, as amended herein, as follows:

6" oil	39,425'	\$0.895 x CPI adjustment	(A ₁) x (B ₁)
10" oil	7,409'	\$1.485 x CPI adjustment	(A ₂) x (B ₂)

The base annual fee shall be 75% of the total amount provided in the HBMC Section 3.44 for the full term of this Franchise Agreement beginning January 1, 2014 through December 31, 2023 because of the inactive status of the pipeline. In the event the Grantee activates the pipeline and begins to reuse said lines for oil or other product distribution, the grantee shall immediately notify the City and agrees to pay the full HBMC fee including annual adjustments set forth in the HBMC. If the Grantee activates the line and does not inform the City, Grantee shall pay a penalty each month the line(s) is active in the amount of 75% of the existing HBMC franchise fee in addition to the fee itself.

In addition an eighteen percent (18%) annual interest cost will be charged for any delinquent payment. The City will also withhold any permits and/or not renew licenses if any payment is delinquent. Payments should be mailed to the City Treasurer, City of Huntington Beach, P.O. Box 711, Huntington Beach, CA 92648-0711.

HBMC Section 3.44.290 shall govern when calculating annual adjustments to the Base Annual Fee using the Consumer Price Index-Los Angeles-Riverside-Orange County area (1982-1984=100).

The base annual fee shall be subject to proration pursuant to Section 3.44.300 of the HBMC.

SECTION 7. FAITHFUL PERFORMANCE BOND

On or before the effective date of this Amendment, Grantee shall file and thereafter at all times during the term of the Franchise Agreement keep on file with the City Treasurer a corporate surety bond approved by the City Attorney running to the City in the penal sum of One Hundred Thousand Dollars (\$100,000). In the event that said bond, after it has been so filed, shall at any time during the term of the Franchise Agreement become insufficient, in the sole opinion of the City Council, Grantee agrees to renew said bond within ten (10) days after written notice to do so from the City Treasurer. At such time, the bond shall be increased by a rate set forth by the City Council, with a surety to be approved by the City Attorney, conditioned that Grantee shall well and truly observe, fulfill and perform each condition of the Franchise

Agreement, as amended, and that in case of any breach of condition of the bond the whole amount of the penal sum shall be deemed to be liquidated damages and shall be recoverable from the principal and sureties of the bond. If said bond is not filed prior to the effective date of this Amendment, the approval of this Amendment may be denied and the ordinance granting the Franchise Agreement repealed at any time prior to the filing of said bond and any money paid.

SECTION 8. OTHER FRANCHISES

This grant is made in lieu of all other oil utility franchises or leased easement agreements owned by the Grantee, or by any successor of the Grantee to any rights under this franchise, for transmitting and distributing oil within the limits of the City, as said limits now or may hereafter exist, and the acceptance of the franchise hereby granted shall operate as an abandonment of all such oil utility franchises, leases or easements within the limits of this City, as such limits now or may hereafter exist, in lieu of which this franchise is granted.

SECTION 9. OBLIGATIONS OF GRANTEE

(a) All facilities or equipment of Grantee shall be constructed, installed and maintained in accordance with and in conformity with all of the ordinances, rules and regulations heretofore, or hereafter adopted by the legislative body of this City in the exercise of its police powers and not in conflict with the paramount authority of the State of California, and, as to state highways, subject to the provisions of the general laws relating to the location and maintenance of such facilities.

(b) If any portion of any street shall be damaged by reason of defects in any of the pipes and appurtenances maintained or constructed under this grant, or by reason of

any other cause arising from the operation or existence of any pipes and appurtenances constructed or maintained under this grant, Grantee shall, at its own cost and expense, immediately repair any such damage and restore such portion of such damaged street to as good condition as existed before such defect or other cause of damage occurred.

(c) The Grantee shall pay to the City, on demand, the cost of all repairs to public property made necessary by any operations of the Grantee under this franchise.

(d) Grantee shall indemnify, save, and hold harmless, City and any officers and employees thereof against and from all damages, judgments, decrees, costs and expenditures which City, or such officer or employee, may suffer, or which may be recovered from, or obtainable against City, or such officer or employee, for, or by reason of, or growing out of or resulting from the exercising by Grantee of any or all of the rights or privileges granted hereby, or by reason of any act or acts of Grantee or its servants or agents in exercising the franchise granted hereby, and Grantee shall defend any suit that may be instituted against City, or any officer or employee thereof, by reason of or growing out of or resulting from the exercise by Grantee of any or all of the rights or privileges granted hereby, or by reason of any act or acts of Grantee, or its servants or agents, in exercising the franchise granted hereby.

SECTION 10. REMOVE OR RELOCATE FACILITIES

(a) City reserves the right for itself to lay, construct, erect, install, use, operate, repair, replace, remove, relocate or maintain below surface or above surface improvements of any type or description in, upon, along, across, under or over the streets of the City. City further reserves the right to lawfully change the grade, alignment or width of any street. If the necessary exercise of the aforementioned reserved rights

conflicts with any pipes and appurtenances of Grantee constructed, maintained, and used pursuant to the provisions of the franchise granted hereby, Grantee shall, without cost or expense to City within ninety (90) days after written notice from the City Manager, or his designated representative, and request so to do, begin the physical design and field construction of changing the location of all facilities or equipment so conflicting. Grantee shall proceed promptly to complete such required work.

(b) Irrespective of any other provision of this ordinance, Grantee's right to construct, maintain, and use, or remove pipes and appurtenances thereto shall be subject at all times to the right of the City, in the exercise of its police power, to require the removal or relocation of said pipes and appurtenances thereto at the sole cost and expense of Grantee, except (1) as the law may otherwise provide or, (2) except where Grantee's right to possession is pursuant to instruments evidencing right-of-way, easements or other interest in real property, or (3) except where the removal or relocation is made at the request of the City on behalf of or for the benefit of any private developer, CalTrans, or other third party.

(c) In the event that the City is made aware of a project developed by a governmental agency, water company, private party or the City that would be located within five hundred feet of a regulator station or other major oil facilities, City shall notify Grantee and initiate discussions among the implicated parties in order to assess potential economic and community impacts and facilitate coordinated and economically reasonable outcomes.

SECTION 11. TRANSFER OR SALE OF FRANCHISE

This franchise may not be transferred (voluntarily, involuntarily, or by operation of law), leased or assigned by the Grantee except by written consent of the City Council, which may be withheld or conditioned at the City's sole discretion, and unless the transferee or assignees thereof shall agree to be bound by the terms and conditions of this Agreement. Grantee of the franchise granted hereby shall file with the City Manager and the legislative body of the City within thirty (30) days after any sale, transfer, assignment or lease of this franchise, or any part thereof, or of any of the rights or privileges granted thereby, written evidence of the same, certified thereto by the Grantee or its duly authorized officers.

SECTION 12. FORFEITURE

This franchise is granted upon each and every condition herein contained. Nothing shall pass by the franchise granted hereby to Grantee unless it be granted in plain and unambiguous terms. Each of said conditions is a material and essential condition to the granting of the franchise. If Grantee shall fail, neglect or refuse to comply with any of the conditions of the franchise granted hereby, and if such failure, neglect or refusal shall continue for more than thirty (30) days after written demand by the City Manager for compliance therewith, then City, by the City Council, in addition to all rights and remedies allowed by law, thereupon may terminate the rights, privilege, and franchise granted in and by this ordinance, and all the rights, privileges and the franchise of Grantee granted hereby shall thereupon be at an end. Thereupon and immediately, Grantee shall surrender all rights and privileges in and to the franchise granted hereby. No provision herein made for the purpose of securing the enforcement of the terms and conditions of the franchise granted hereby shall be deemed an exclusive remedy or to

afford the exclusive procedure for the enforcement of said terms and conditions, but the remedies and procedure outlined herein or provided, including forfeiture, shall be deemed to be cumulative.

SECTION 13. LIABILITY INSURANCE

The policy of liability insurance required by HBMC Chapter 3.44 shall be issued to Grantee and name the City and its officers, agents, and employees as additional insureds. It shall further indemnify for all liability for personal and bodily injury, death and damage to property arising from activities conducted pursuant to the Franchise Agreement by providing coverage thereof, including but not limited to:

(a) Negligent acts or omissions of Grantee and the agents, servants and employees thereof, committed in the conduct of operations under the Franchise Agreement.

(b) Provide combined single limit liability insurance in the amount of five million dollars (\$5,000,000).

(c) Be noncancellable without thirty (30) days written notice thereof directed to the City.

Such coverage shall be in an amount and form to meet all applicable state and federal requirements but in no event less than five million dollars (\$5,000,000) per occurrence.

(a) If written with an annual aggregate limit, the policy limit must be three (3) times the above-required occurrence limit.

(b) If written on a claims made form, such insurance shall be endorsed to provide an extended reporting period of not less than two (2) years following termination or cancellation of the Franchise Agreement.

SECTION 15. WORKERS' COMPENSATION INSURANCE

(d) Be noncancellable without thirty (30) days written notice thereof directed to the City.

SECTION 16. INSURANCE POLICY REQUIREMENT

(a) The policy number.

(b) The date upon which the policy will become effective and the date upon which it will expire.

- (c) The names of the insured and any additional insureds.
- (d) Subject of the insurance.
- (e) The type of coverage provided by the insurance.
- (f) Amount of limit of coverage provided by the insurance.
- (g) A description of all endorsements that form a part of the policy.
- (h) In addition to the insurance requirements in this section the insured shall also agree to defend, indemnify and hold harmless City against loss, damage or expense by reason of any suits, claims, demands, judgments caused by insured in the performance of the franchise as provided in HBMC Chapter 3.44. Any franchise operation shall not commence until Grantee has complied with the aforementioned provisions of this section, and any such operation shall be suspended during any period that Grantee fails to maintain said policies in full force and effect.

SECTION 17. FORCE MAJEURE

The obligations of any party hereunder, other than the obligation to pay money, shall be suspended for so long as such party is unable, in whole or in part, to carry out its obligations under this Amendment and the Franchise Agreement by reason of an act of God, strike, walkout or other industrial disturbance, act of the public enemy, war, blockade, public riot, lightning, fire, storm, flood, explosion governmental action, governmental delay, restraint or inaction, the unavailability of equipment or materials, or any other cause, whether similar or dissimilar to the types specifically enumerated above, which is beyond the reasonable control of the party claiming the right to suspend its obligations. Such affected party shall provide prompt written notice to the other of the details of the "force majeure," and shall use all reasonable diligence to remove, eliminate or otherwise minimize the force majeure situation as quickly as is practicable. Nothing herein contained shall require a party to settle a labor dispute contrary to the wishes of such party.

SECTION 18. ACQUISITION AND VALUATION

The franchise granted hereunder shall not in any way or to any extent impair or affect the right of the City to acquire the property of the Grantee hereof either by purchase or through the exercise of the right of eminent domain, and nothing herein contained shall be construed to contract away or to modify or to abridge, either for a term or in perpetuity, the City's right of eminent domain in respect to the Grantee; nor shall this franchise ever be given any value before any court or other public authority in any proceeding of any character in excess of the cost to the Grantee of the necessary publication and any other sum paid by it to the City therefor at the time of the acquisition thereof.

SECTION 19. PUBLICATION COSTS

The Grantee of said franchise shall pay to the City a sum of money sufficient to reimburse it for all publication expenses incurred by it in connection with the granting thereof, such payment to be made within thirty (30) days after the City shall have furnished such Grantee with a written statement of such expenses.

SECTION 20. EFFECTIVE DATE

The franchise granted hereby shall not become effective until written acceptance thereof shall have been filed by the Grantee with the City Clerk. When so filed, such acceptance shall constitute a continuing agreement of the Grantee that if and when the City shall thereafter annex or consolidate with additional territory, any and all franchise rights and privileges owned by the Grantee therein shall likewise be deemed to be abandoned within the limits of the additional territory.

(

SECTION 21. WRITTEN ACCEPTANCE

After the publication of the ordinance related to this Franchise, the Grantee shall file with the City Clerk a written acceptance of the franchise hereby granted, and an agreement to comply with the terms and conditions hereof.

SECTION 22. PUBLICATION

The City Clerk shall certify to the adoption of this ordinance, and within fifteen (15) days after its adoption, shall cause the same (with a list of the councilmembers voting for and against) to be published in the Huntington Beach Independent, a newspaper of general circulation published and circulated in the City.

SECTION 22. AUDIT OF RECORDS

The City Treasurer, or any certified public accountant, or qualified person designated by the City, at any reasonable time during business hours, may make an examination at the Grantee's office of its books, accounts, and records, germane to and for the purpose of verifying the data set forth in the statement required by Section 4(b) and for any other purpose relating to the rendition of oil service by the Grantee within the City, or the charges to be made.

IN WITNESS WHEREOF, the parties hereto have caused this Franchise Agreement to be executed by and through their authorized offices the day, month and year first above written.

Prior to the issuance of any excavation permit for the construction or installation of any pipeline for the transmission of flammable liquids or gases, written approval shall be obtained from the Director. Said approval may be withheld at the sole and absolute discretion of the Director. Said approval may be based on the determination that no undue fire hazard will be created to life or property in the areas through which the proposed pipeline will be located. If the franchisee, within ten (10) days after receipt of written notice from the City, instructing it to repair such damage, shall fail to commence to comply with such instructions, or thereafter, shall fail to diligently prosecute such work to completion, the City immediately may do work necessary to carry out said instructions and the cost and expense of the franchisee, which cost and expense, by the acceptance of the franchise, the franchisee agrees to pay upon demand. If such damage constitutes an immediate danger to the public health or safety requiring the immediate repair thereof, the City without notice may repair such damage and the franchisee shall pay all costs incurred. (3889-9/10)

The franchisee of any franchise awarded for a pipeline transmitting oil or products thereof which has been determined by the Public Utilities Commission to be a public utility, as consideration for such franchise, shall, within thirty (30) days after the end of each calendar year and during the life of the franchise for each and every year, including the year of granting the franchise, annually pay to the City in lawful money of the United States, a fee in the following amounts as required by State law. In the event these referenced fees increase pursuant to State law, the fees referenced herein shall increase by the same: (3889-9/10)

Pipelines with an Internal Diameter of:	Base Rate Per Lineal Foot
0-4 inches	.088
6 inches	.132
8 inches	.176

24 inches	.528
26 inches	.572
28 inches	.616
30 inches	.660

(3889-9/10)

For pipelines with an internal diameter not listed above, the fees shall be in the same proportion to the fees of a twelve (12)-inch-diameter pipe as the diameter of the unlisted pipe is to twelve (12) inches. (3889-9/10)

The amount of the fee or charge provided for in this paragraph shall be multiplied by the Consumer Price Index, all Urban Consumers (CPI-U) for the Los Angeles-Riverside-Orange County Area for the month of September immediately preceding the month in which payment is due and payable, and divided by the Consumer Price Index, All Urban Consumers (CPI-U for the Los Angeles-Riverside-Orange County Area for June 30, 1989, (1982-84=100.0)). (3889-9/10)

3.44.260 Basic Granting Fee. In the event of an initial grant of franchise or franchises which extend, renew, or continue previously granted franchises, a base granting fee shall be required as established, and amended from time to time, by resolution of the City Council. (2319-10/78, 2676-2/84)

3.44.270 Base Annual Fee. A base annual fee shall be paid by franchisee within thirty (30) days after the end of each calendar year including the year of granting the franchises, according to the franchise payment period as defined in this chapter, in the following amounts: (2319-10/78, 2676-2/84, 3889-9/10)

8 inches	1.197
10 inches	1.485
12 inches	1.787
14 inches	2.092
16 inches	2.377

22 inches	3.272
24 inches	3.574
26 inches	3.879
28 inches	4.164
30 inches	4.469

The base annual rate applicable to pipelines with an internal diameter falling between incremental size categories shall pay a rate determined by adding the price corresponding to the lower size to a figure computed by multiplying the difference between the higher and lower price times the multiplier. The multiplier will be determined by dividing the difference between the size of the pipe and the lower size category by the difference between the two size categories. In determining the number of feet of pipeline upon which the annual fee will be computed, the greatest number of feet of pipeline covered by the franchise during the calendar year for which payment is due will be utilized. The base annual fee shall be paid no later than 30 days and a penalty at the rate of ten (10) percent per month or fraction thereof beyond the payment date shall be charged, but in no event shall said penalty exceed fifty (50) percent. (3889-9/10)

The City reserves the right to adjust the base fees established hereunder at any time after the effective date of the ordinance. (3889-9/10)

3.44.271 Payments to City. Payment is due 30 days after the City's invoice date and a 10% per month late penalty and 18% annual interest cost will be charged for any delinquent payment. The City will also withhold any permits/not renew licenses if any payment is delinquent. Payments should be mailed to the City Treasurer, City of Huntington Beach, P.O. Box 711, Huntington Beach, CA 92648-0711. (3889-9/10)

The holder of the franchise shall pay at the time of installation, relocation or replacement of any segment of pipe or pipeline, or any other facility covered by the franchise agreement, a base construction charge established, and amended from time to time, by resolution of the City Council. (2319-10/78, 2676-2/84)

3.44.290 Adjustments--Base Annual Fee.

The amount of each base annual fee as specified in the above section shall be revised every year, in accordance with the following formula: (3889-9/10)

- (a) The Consumer Price Index, All Urban Consumers (CPI-U) for the Los Angeles-Riverside-Orange County area (1982-84=100) as published by the United States Bureau of Labor Statistics ("Bureau"), shall be defined as the "index," and such index as it stands on August 1, 2010 shall be defined as the "base index" and the index for the month of September immediately preceding the fee payment date shall be defined as the "current index;" (3889-9/10)
- (b) If the current index differs from the base index, then the base annual fee shall increase or decrease by the percentage increase or decrease between the current index and the base index, provided that, if the current index drops below the base index, no adjustment shall be made. The base annual fee shall be multiplied by an adjustment factor determined by dividing the current index by the base index. (3889-9/10)

For example, if the base index is 185.0 and the current index is 190.5, the annual franchise fee shall be (i.e. $190.5/185.0 = 1.0297$), times the base annual fee, provided however, under no circumstances shall the multiplying factor be less than one, nor shall the annual franchise fee calculated using said factor, be less than the base annual fee. If the Bureau shall revise the index, the parties hereto shall accept the method of revision for conversion recommended by the Bureau; and (3889-9/10)

- (c) If the Bureau discontinues the preparation or publication of the CPI-U, All Urban Consumers for the Los Angeles-Riverside-Orange County area (1982-84=100), and if no transposition table prepared by the Bureau is available, then the amount of each annual franchise fee shall be computed by reference to such other price index as may be chosen by the City, and the City shall be the sole judge of comparability of successive indices and its determination on this point shall be final and conclusive. In no event shall the annual franchise fee adjustment by reference to such other price index be less than the base annual fee as set forth herein. (3889-9/10)
- (d) **Publication and Administrative Issuance Costs.** The franchisee shall pay to the City within thirty (30) days after receiving a statement therefore, all administrative and other costs incurred by the City processing the application for a franchise, including but not limited to the preparation of any reports, statements or studies pursuant to the California Environmental Quality Act (Public resources Code Section 21000, et seq.) and any similar federal statute, or any successor statute, and for any and all advertising and publishing costs, including the cost of publishing the ordinance, if necessary, incurred in connection with the granting of the franchise. (3889-9/10)
- (e) The base annual fee may also be amended from time to time by resolution of the City Council. (3889-9/10)

3.44.300 Proration of Payments. In the event of abandonment of facilities with the approval of the City as elsewhere in this chapter provided, or in the event of removal of such facilities by the franchisee, or in the event of the grant of a franchise with an initial franchise payment period of less than one year, the annual franchise fee required under the aforementioned sections shall be prorated for the calendar year in which such removal or abandonment or grant occurs as of the end of the calendar month in which removed, abandoned or granted. (2319-10/78, 3889-9/10)

3.44.310 Records. Franchisee shall keep and preserve for a period of five (5) years subsequent to the date of the most recent franchise fee determination all the records necessary to determine the amount of such franchise fee.

At all reasonable times, the franchisee shall permit the City or its duly authorized representative to examine all property of the franchisee erected, constructed, laid, operated or maintained pursuant to the franchise, together with any appurtenant property of the franchisee, and to examine and transcribe any and all books, accounts, papers, maps, and other records kept or maintained by the franchisee or under its control which concern the operations, affairs, transactions, property or financial condition of the franchisee with respect thereto. Said records shall be made available to the City at a location in the County of Orange. (2319-10/78, 3889-9/10)

III. CONSTRUCTION

New installations or replacements of pipelines and appurtenances and all other facilities necessary for the installation, operation, maintenance, and safety of pipelines and conduits shall be laid and maintained only pursuant to applicable law and permit issued by the Department. All such installations or replacements shall be reviewed by the Director as to the most desirable location in the streets of the City and his decision shall be final and binding on the franchisee. (2319-10/78, 3889-9/10)

3.44.340 Permits. Where the provisions of any City ordinance, resolution or regulation, which shall be in force at that time, require the issuance of an excavation, encroachment or other type of permit, the franchisee shall not commence any excavation or encroachment work under the franchise until it shall have obtained such permit from the Department except in cases of emergency affecting public health, safety or welfare or the preservation of life or property, in which case the franchisee shall apply for such permit not later than the next business day. (3889-9/10)

The application of the franchisee for such permit shall show the following facts: the length and proposed location of the pipeline and/or appurtenance intended to be installed, and such other facts as the Department may require. The franchisee shall pay any and all permit inspection fees required by the Department. (2319-10/78, 3889-9/10)

3.44.350 Work On and Restoration of Streets. The work of constructing, laying, replacing, maintaining, repairing or removing all pipelines and appurtenances authorized under the provisions of this chapter in, over, under, along or across any street shall be conducted with the least possible hindrance to the use of the street for purposes of travel. As soon as such work is completed, all portions of the street which have been excavated or otherwise damaged thereby shall promptly and in a workmanlike manner be repaired, replaced or restored and placed in as good condition as before the commencement of such work and shall be done to the satisfaction of the Director at the expense of the franchisee, and in accordance with the terms and conditions of any City ordinance, resolution or regulation. For streets that have been rehabilitated within three

(3) years prior to the proposed work, the City shall require the resurfacing, or other treatment, of the entire lane widths of the street as directed by the Director. For those streets that have not been rehabilitated by the City within three (3) years prior to the proposed work, the restoration shall be in full compliance with City requirements. All restoration, repair or replacement work shall be done to the satisfaction of the Director at the expense of the franchisee in accordance with all applicable law. In the event that the franchisee shall fail or neglect to make such highway repair, replacement or restoration work, ten (10) days after notice therefore has been given franchisee by the Director, the City may repair, replace or restore said highway at the expense of franchisee. Franchisee agrees to pay to the City the cost of performing such work. The amount so chargeable shall be the direct cost of such work plus the current rate of overhead being charged by the City for reimbursable work. (2319-10/78, 3889-9/10)

3.44.360 Failure to Comply Timely. In the event that the franchisee fails to complete the work within the time specified in the permit, the City may require the franchisee to pay to the City not more than five hundred dollars (\$500) per day as liquidated damages for each day construction extends beyond the time specified in the permit. (3889-9/10)

Whenever the franchisee fails to complete any work required by the terms and provisions of the franchise, and the permits issued thereunder, within the time limits required thereby, the City may complete or cause to be completed any and all such work at the expense of the franchisee. The franchisee agrees to pay to the City the cost of performing such work. The amount so chargeable to franchisee shall be the direct cost of such work plus the current rate of overhead being charged by the City for reimbursable work. (2319-10/78, 3889-9/10)

3.44.370 Completion Statement. Upon the completion of the construction of any pipelines or other facilities constructed pursuant to said franchise, the franchisee shall submit a statement to the Director, identifying the permit or permits issued by the Department, the total length of pipeline, pipeline material, diameter of pipeline, the construction of which was authorized under such permit or permits, and the total length of pipeline or facilities actually laid and as-built drawings. (2319-10/78, 3889-9/10)

3.44.371 Responsibility. In addition to any indemnification set forth herein, franchisee shall be specifically responsible to the City and shall save the City, its officers, agents, and employees, free and harmless from all damages or liability arising from any damage or injury suffered by any person by reason of any excavation or obstruction being improperly guarded during any work authorized pursuant to the franchise or the failure to neglect of the franchisee to properly perform, maintain, or protect any phase of such work. (3889-9/10)

3.44.380 Facilities. The franchisee shall have the right to construct, maintain and repair such traps, manholes, conduits, valves, appliances, attachments and other facilities as may be necessary or convenient for the proper maintenance and operation of the pipelines under said franchise, and said facilities shall be kept flush with the surface of the street and so located as to conform to applicable law including any ordinance, resolution or regulation of the City, or of any permit issued by the Department in regard thereto and shall not interfere with the use of the street for travel. The franchisee shall have the right subject to such ordinances, resolutions and regulations as are now or may hereafter be in force, to make all necessary excavations in said street for the construction, maintenance and repair of said facilities; provided, however, that the franchisee shall first obtain an excavation permit from the Department for doing any such work. (2319-10/78, 3889-9/10)

3.44.386 Shoring. The franchisee shall provide at its sole cost such shoring or other support as shall be reasonably required to support, maintain, and protect franchisee's facilities in connection with any storm drain or sewer construction by the City or in connection with any facility constructed by City, or by any successor agency. (3889-9/10)

3.44.390 Ordinary Repair. The franchisee shall be privileged to excavate in the road or street for line repair for the number of days agreed upon by the franchisee and the Department

provided, however, that the franchisee shall first obtain an excavation permit from the Department for the doing of any such work. (2319-10/78, 3889-9/10)

3.44.391 Relocation of Pipelines and Facilities. The City reserves the right to change the grade, to change the width or to alter or change the location of any street over which the franchise is granted. If any of the pipelines, facilities or appurtenances heretofore or hereafter constructed, installed or maintained by the franchisee pursuant to the franchise on, along, under, over, in, upon or across any street are located in a manner which conflict in any way with the change of grade, traffic needs, operation, maintenance, improvements, repair, construction, reconstruction, widening, alteration or relocation of the street, the franchisee shall relocate permanently or temporarily any such facility at no expense to the City upon receipt of a written request from the Director to do so, and shall commence such work on or before the day specified in such written request which date shall be not less than thirty (30) days from receipt of such written request. Franchisee shall thereafter diligently prosecute such work to completion. (3889-9/10)

The City reserves the right for itself, and all other public entities which are now or may later be established, to lay, construct, repair, alter, relocated and maintain subsurface or other facilities or improvements of any type or description in a governmental but not proprietary capacity within the streets over which the franchise is granted. If the City or any other public entity finds that the location or relocation of such facilities or improvements conflicts with the facilities laid, constructed or maintained under the franchise, whether such facilities were laid before or after the facilities of the City or such other public entity were laid, the franchisee of such franchise shall at no expense to the City or public entity, on or before the date specified in a written request from the Director, which date shall be not less than thirty (30) days after the receipt of such notice and request to do so, commence work to change the location either permanently or temporarily of all facilities so conflicting with such improvements to a permanent or temporary location in said streets to be approved by the Director and thereafter diligently prosecute such work to completion. (3889-9/10)

3.44.400 Breaks or Leaks. If any portion of the street shall be damaged by reason of breaks or leaks in any pipe, conduit, or appurtenance constructed or maintained under the franchise, the franchisee thereof shall, at its own expense, immediately following written or oral notification thereof, promptly repair any such damage and put such street in as good condition as it was in before such damage or leak, all to the satisfaction of the Department. The franchisee shall obtain an excavation permit from the Department for the doing of any such work. (2319-10/78, 3889-9/10)

3.44.410 Emergency Equipment. At all times during the term of this franchise, the franchisee shall maintain or arrange for, on a twenty-four (24) hour a day basis adequate emergency equipment and a properly trained emergency crew within a radius of twenty-five (25) miles from any facilities installed or maintained pursuant hereto for the purpose of shutting off the pressure and the flow of contents of such facilities in the event of an emergency resulting from an earthquake, act of war, civil disturbance, fire, flood, or any other cause or nature whatsoever. (2319-10/78)

3.44.420 Removal or Abandonment of Facilities.

- (a) At the expiration, revocation or termination of this franchise or the permanent discontinuance of the use of all or a portion of its facilities, the franchisee shall, within thirty (30) days thereafter make written application to the Director for authority either: (1) to abandon all or a portion of such facilities in place; or (2) to remove all or a portion of such facilities. Such application shall describe the facilities desired to be abandoned or removed by reference to the map or maps required by Section 3.44.080 and shall also describe with reasonable accuracy the physical condition of such facilities. The Director shall determine whether any abandonment or removal which is thereby proposed may be effected without detriment to the public interest and under what conditions such proposed abandonment or removal may be safely effected and shall then notify the franchisee of his determination. The franchisee shall

pay to the City the cost of all tests required to determine the disposition of the application for abandonment removal. (3889-9/10)

- (b) Within thirty (30) days after receipt of such notice, the franchisee shall apply for a permit from the Department to abandon or remove the facility and shall pay all fees and costs related thereto. Such permit is to contain the conditions of abandonment or removal as may be prescribed by the Director. Any abandonment shall be conditioned, in part, upon the franchisee's compliance with the provisions set forth in this Chapter. (3889-9/10)

The franchisee shall, within ninety (90) days after obtaining such permit commence and diligently prosecute to completion, the work authorized by the permit. If the franchisee applies for authority to abandon all or a portion of its facilities in place, and the Director determines that abandonment in place of all or part of the facilities may be affected without detriment to the public interest, the franchisee shall pay to the City a fee which shall be computed as follows:

Pipelines with an Internal Diameter of	Amount per Lineal Foot
0-12 inches	\$15.00
14-18-inches	\$22.00
20-30 inches	\$28.00

(2319-10/78, 3889-9/10)

3.44.430 Failure to Comply.

- (a) If any facilities to be abandoned "in place" subject to prescribed conditions shall not be abandoned in accordance with all such conditions the Director may make additional appropriate orders, including an order that the franchisee shall remove any or all such facilities. The franchisee shall comply with such additional orders.
- (b) In the event that the franchisee shall fail to comply with the terms and conditions of abandonment or removal as may be required by this chapter and within such time as may be prescribed by the Director, the City may remove or cause to be removed such facilities at the franchisee's expense. The franchisee shall pay to the City the cost of such work plus the current rate of overhead being charged by the City for reimbursable work. (3889-9/10)
- (c) If, at the expiration, revocation or termination of this franchise, or of the permanent discontinuance of the use of all or a portion of its facilities, the franchisee shall, within thirty (30) days thereafter, fail or refuse to make written application for the abovementioned authority, the Director shall make the determination as to whether the facilities shall be abandoned in place or removed. The Director shall then notify the franchisee of his determination. The franchisee shall thereafter comply with the provisions of subsection (b) of section 3.44.420. (2319-10/78)

3.44.440 Abandonment "In Place" Conditions. Facilities abandoned "in place" shall be subject to the condition that if, at any time after the effective date of the abandonment, the Director determines that the facility may interfere with any public project, franchisee or its successor in interest must remove the facility at its expense when requested to do so by the City or to pay City for the cost of such removal. (2319-10/78, 3889-9/10)

3.44.447 Operation After Franchise Expiration – Revocable License. If a franchise is to expire within sixty days according to the franchise terms, and a new franchise has been requested, but has not yet been granted, the franchisee may request the Mayor and City Council to issue the franchisee a written revocable license, for a renewable term not to exceed one hundred twenty (120) days from the expiration of the franchise, permitting the franchisee to continue to locate its existing facilities in or upon public property in the City during the term of the license. The Mayor and City Council may issue such a revocable license, subject to any restrictions, terms, and conditions (including compensation), without limitation, that they deem

to be in the best interests of the City. Nothing herein requires the Mayor and City Council to grant such a revocable license, nor does the issuance of such a revocable license require that the Mayor and City Council grant the franchisee a new franchise. Upon request of the franchisee, the City Clerk shall provide a revocable license application form. (3850-1/10)

IV. SPECIAL PROVISIONS FOR PETROLEUM PIPELINES (3889-9/10)

3.44.450 Rights Granted. The franchisee granted a petroleum pipeline franchise shall have the right during the life thereof to transport oil, gas, gasoline, petroleum, wet gas and other hydrocarbon substances through the pipelines maintained under the franchise. If the franchisee or assignee later qualifies before the Public Utilities Commission of the State of California as a common carrier, the franchisee or assignee shall then have no right to continue to operate hereunder after the date of such qualification except with the consent of the Council, granted upon such additional terms and conditions as the Council may deem proper or as superseded by statute. Such additional terms and conditions shall be expressed by resolution.

(2319-10/78, 3889-9/10)

3.44.460 Materials Used. All pipelines used or to be used for the transportation of oil, gas, gasoline, petroleum, wet gas and other hydrocarbon substances shall be first class and standard material as set forth by current American Petroleum Institute pipeline specifications. (2319-10/78)

3.44.470 Approvals. On all pipelines laid pursuant to the franchise, the Director shall approve where flush-valve connections shall be placed in the line. The availability of adequate water supplies, the hydrocarbons transmitted in the line, and the location of control valves shall be considered when making such determination. Such flush-valve connections shall be installed in the manner prescribed by the Director. (2319-10/78)

3.44.480 Reports. The franchisee during the life of the franchise, within sixty (60) days after the expiration of each franchise payment period, shall:

- (a) File with the Director two copies of a verified report of the franchisee showing for the immediately preceding franchise period, the length of lines in streets, the internal diameter of such lines, the rate per foot per year and the total amount due the City. (3889-9/10)
- (b) File with the Director a report in triplicate, showing the permit number of each permit obtained for the installation of new mains during the immediately preceding franchise payment period, together with the length and size of said mains. If the grantee after reasonable notice, fails or refuses to relocate permanently or temporarily its facilities located in, on, upon, along, under, over, across or above any highway or to pave, surface, grade, repave, resurface or regrade

as required, pursuant to any provision of the franchise, the City or other public entity may cause the work to be done and shall keep an itemized account of the entire cost thereof, and the grant shall hold harmless the City, its officers and employees from any liability which may arise or be claimed to arise from the moving, cutting, or alteration of any of the grantee's facilities, or the turning on or off of water, oil, or other liquid, gas, or electricity.
