Subject: Appeal

Oliver,

I'd like to appeal PC's recent decision. See below;

I am hereby appealing the Planning Commission's 9/14/21 approval of EPA 2021-001 (Killarney's Rooftop dining). Specifically, I would like to review their Condition of Approval 2.a. that limits the hours of the rooftop dining to 10pm versus 12am as recommended by staff.
