

CITY OF HUNTINGTON BEACH

Finance Department

NOTICE OF INTENT TO AWARD

Date:	April 15, 2025
Project:	On-Call Development Review Engineering & Professional Consulting Services 2025-0313
Selected Proposer:	Multiple

The evaluation panel assigned to City of Huntington Beach RFQual. No. 2025-0313, On-Call Development Review Engineering & Professional Consulting Services recently convened to evaluate the proposals submitted to the City. The City evaluated the 16 proposals received using a Qualifications-Based Selection (QBS) process incorporating a multitude of factors aside from, but including, pricing. The criteria utilized to evaluate the proposals are as follows:

- Compliance with the RFP Requirements
- Approach, Understanding of Project and Methodology
- Qualifications and Experience
- Educational background, work experience
- Proposed Cost, Price, Fees
- References

They have made the conclusion to award this RFQual. based on this evaluation. The following table illustrates the final distribution of all proposers after this comprehensive evaluation process. Upon award, copies of all proposals related to this RFQual may be requested for review.
