1. PROBLEM STATEMENT

Huntington Beach is a unique city, given its population of over 200,000 people, its continued growth, miles of beachfront, large and expanding entertainment, populated hotel district, high traffic volume, and an estimated 16 million annual beach visitors.

One thing that sets Huntington Beach apart, and provides continuing challenges to the police department, is the number of high-profile events that are regularly scheduled during the year. This includes the Surf City Marathon, AVP Volleyball competition, 4th of July Parade and Fireworks show (rated by the Department of Homeland Security as a SEAR LEVEL 2 Event), weekly Tuesday night downtown street fair, and the 9-day U.S. Open of Surfing. These events regularly draw large crowds, with the US Open of surfing drawing an estimated 500,000 visitors annually. People travel from all over California and the surrounding states to attend these events, which places a significant burden on the Huntington Beach Police Department for emergency services.

In light of the Covid-19 pandemic, the city has maintained large crowds who visit the miles of beach along our coastline throughout the year. As a result, our large beachfront hotels routinely fill to capacity. With these crowds come huge challenges, such as increased alcohol consumption, traffic congestion, and impaired driving.

Over the past few years, the Huntington Beach Police Department has seen other problems emerge, such as increased homelessness. This has created a need to reallocate resources to non-traffic-related enforcement. As such, there has been a decrease in personnel assigned to the traffic bureau, which is far fewer than it was a decade ago.

Because of these challenges, departments often look to outside resources, such as the Office of Traffic Safety, as an additional resource to assist with traffic enforcement and education with the expressed goal of eliminating traffic deaths and injuries, reducing economic loss, and increasing public safety.

The Office of Traffic Safety currently funds two full-time DUI officers at our department, both of whom remain proactive and are enthusiastic about DUI enforcement. Both of these officers are SFST and ARIDE certified, and have recently completed Drug Recognition Expert school within the past year. Since increasing our staffing for these specialty positions, the officers have played a major role in educating fellow patrol officers and being the go-to officers to evaluate suspected DUI drivers through SFST's at DUI Checkpoints and during their assigned patrol shifts.

While our total traffic-related fatalities have dropped slightly since 2020, the number of injury crashes is on the rise. Driving under the influence remains one of the top primary crash factors, thus showing the continual issues related to impaired driving in Huntington Beach.

We have taken several unique approaches to try and better deploy our resources as it relates to DUI enforcement. For example, we track various data related to our DUI arrests, including the establishment where an impaired driver was drinking, along with the location of the DUI arrest. This not only allows us to better understand what areas are best for targeted DUI enforcement, but our department also mails letters to bar owners whose patrons are arrested for DUI to make them better aware of the problem.

Because we believe education is also very important in reducing instances of impaired drivers, we have embraced and helped establish the "*Know Your Limit*" campaign. Our department has been at the forefront of this program, and we have trained numerous other departments throughout Southern California.

In addition, we continue to use social media to reach a large number of residents and visitors to Huntington Beach. Because Huntington Beach is a destination town that receives numerous visitors from outside the city, we have maintained one of the largest social media followings on Facebook (About 73,000 followers) and Instagram (Over 32,000 followers). In comparison, several local agencies that are much larger than us,

both inside and outside of Orange County, have a much smaller social media following. This puts us in a unique position to reach as many people as possible on these social media platforms, while spreading education and advice on traffic safety.

A comprehensive analysis of our crash data reveals multiple factors that contribute to crashes, traffic injuries and traffic fatalities in Huntington Beach. These factors go beyond impaired driving and include distracted driving, safety violations, and other primary crash factors. Simply issuing citations for these violations does not address the entire problem. We believe that enforcement plus education, visibility, and public relation activities bolster our ability to fight these threats. We are seeking funding in these categories as well as the *“Know Your Limit”* campaign to continue bringing awareness and enforcement to the public.

Many of our neighboring cities have smaller police departments with limited traffic enforcement resources. With grant funding, we have sought out these agencies through collaborative efforts to help bridge the gap when staffing is minimal, and/or personnel are scheduled for other special events in our city. We are confident these partnerships help us gain ground our mutual determination of safer streets in our shared jurisdictions.

B. Objectives:

	Target Number
1. Issue a press release announcing the kick-off of the grant by November 15. The kick-off press releases and media advisories, alerts, and materials must be emailed to the OTS Public Information Officer at pio@ots.ca.gov , and copied to your OTS Coordinator, for approval 14 days prior to the issuance date of the release.	1
2. Participate and report data (as required) in the following campaigns; Quarter 1: National Walk to School Day, National Teen Driver Safety Week, NHTSA Winter Mobilization; Quarter 3: National Distracted Driving Awareness Month, National Motorcycle Safety Month, National Bicycle Safety Month, National Click it or Ticket Mobilization; Quarter 4: NHTSA Summer Mobilization, National Child Passenger Safety Week, and California's Pedestrian Safety Month.	10
3. Develop (by December 31) and/or maintain a “DUI BOLO” program to notify patrol and traffic officers to be on the lookout for identified repeat DUI offenders with a suspended or revoked license as a result of DUI convictions. Updated DUI BOLOs should be distributed to patrol and traffic officers monthly.	12
4. Send law enforcement personnel to the NHTSA Standardized Field Sobriety Testing (SFST) (minimum 16 hours) POST-certified training.	8

To enhance the overall deterrent effect and promote high visibility, it is recommended the grantee issue an advance press release and conduct social media activity for each checkpoint. For combination DUI/DL checkpoints, departments should issue press releases that mention DL's will be checked at the DUI/DL checkpoint. Signs for DUI/DL checkpoints should read "DUI/Driver's License Checkpoint Ahead." OTS does not fund or support independent DL checkpoints. Only on an exception basis and with OTS pre-approval will OTS fund checkpoints that begin prior to 1800 hours. When possible, DUI/DL Checkpoint screeners should be DRE- or ARIDE-trained.	8
8. Conduct DUI Saturation Patrol operation(s).	21

3. METHOD OF PROCEDURE	
A. <u>Phase 1 – Program Preparation (1st Quarter of Grant Year)</u>	
<ul style="list-style-type: none"> • The department will develop operational plans to implement the “best practice” strategies outlined in the objectives section. • All training needed to implement the program should be conducted this quarter. • All grant related purchases needed to implement the program should be made this quarter. • In order to develop/maintain the “DUI BOLOs,” research will be conducted to identify the “worst of the worst” repeat DUI offenders with a suspended or revoked license as a result of DUI convictions. The Hot Sheets may include the driver’s name, last known address, DOB, description, current license status, and the number of times suspended or revoked for DUI. DUI BOLOs should be updated and distributed to traffic and patrol officers at least monthly. • Implementation of the STEP grant activities will be accomplished by deploying personnel at high crash locations. • <u>Media Requirements</u> Issue a press release approved by the OTS PIO announcing the kick-off of the grant by November 15, but no sooner than October 1. The kick-off release must be approved by the OTS PIO and only distributed after the grant is fully signed and executed. If you are unable to meet the November 15 deadline to issue a kick-off press release, communicate reasons to your OTS coordinator and OTS PIO. 	
B. <u>Phase 2 – Program Operations (Throughout Grant Year)</u>	

- The department will work to create media opportunities throughout the grant period to call attention to the innovative program strategies and outcomes.

Media Requirements

The following requirements are for all grant-related activities:

- Send all media advisories, alerts, videos, graphics, artwork, posters, radio/PSA/video scripts, storyboards, digital and/or print educational materials for grant-related activities to the OTS PIO at pio@ots.ca.gov for approval and copy your OTS coordinator. Optimum lead time would be 7 days before the scheduled release but at least 3 business days prior to the scheduled release date for review and approval is appreciated.
- The OTS PIO is responsible for the approval of the design and content of materials. The agency understands OTS PIO approval is not authorizing approval of budget expenditure or cost. Any cost approvals must come from the Coordinator.
- Pre-approval is not required when using any OTS-supplied template for media advisories, press releases, social media graphics, videos or posts, or any other OTS-supplied educational material. However, copy the OTS PIO at pio@ots.ca.gov and your OTS coordinator when any material is distributed to the media and public, such as a press release, educational material, or link to social media post. The OTS-supplied kick-off press release templates and any kickoff press releases are an exception to this policy and require prior approval before distribution to the media and public.
- If an OTS-supplied template, educational material, social media graphic, post or video is substantially changed, the changes shall be sent to the OTS PIO at pio@ots.ca.gov for approval and copy to your OTS Coordinator. Optimum lead time would be 7 days prior to the scheduled release date, but at least 3 business days prior to the scheduled release date for review and approval is appreciated.
- Press releases, social media posts and alerts on platforms such as NextDoor and Nixle reporting immediate and time-sensitive grant activities (e.g. enforcement operations, day of event highlights or announcements, event invites) are exempt from the OTS PIO approval process. The OTS PIO and your Coordinator should still be notified when the grant-related activity is happening (e.g. car seat checks, bicycle rodeos, community presentations, DUI checkpoints, etc.).
- Enforcement activities such as warrant and probation sweeps, court stings, etc. that are embargoed or could impact operations by publicizing in advance are exempt from the PIO approval process. However, announcements and results of activities should still be copied to the OTS PIO at pio@ots.ca.gov and your Coordinator with embargoed date and time or with "INTERNAL ONLY: DO NOT RELEASE" message in subject line of email.
- Any earned or paid media campaigns for TV, radio, digital or social media that are part of a specific grant objective, using OTS grant funds, or designed and developed using contractual services by a subgrantee, requires prior approval. Please send to the OTS PIO at pio@ots.ca.gov for approval and copy your grant coordinator at least 3 business days prior to the scheduled release date.
- Social media posts highlighting state or national traffic safety campaigns (Distracted Driving Month, Motorcycle Safety Awareness Month, etc.), enforcement operations (DUI checkpoints, etc.), or any other grant-related activity such as Bicycle rodeos, presentations, or events, are highly encouraged but do not require prior approval.
- Submit a draft or rough-cut of all digital, printed, recorded or video material (brochures, posters, scripts, artwork, trailer graphics, digital graphics, social posts connected to an earned or paid media campaign grant objective) to the OTS PIO at pio@ots.ca.gov and copy your OTS Coordinator for approval prior to the production or duplication.
- Use the following standard language in all press, media, and printed materials, space permitting: Funding for this program was provided by a grant from the California Office of Traffic Safety, through the National Highway Traffic Safety Administration.
- Space permitting, include the OTS logo on all grant-funded print materials, graphics and paid or earned social media campaign grant objective; consult your OTS Coordinator for specifics, format-appropriate logos, or if space does not permit the use of the OTS logo.
- Email the OTS PIO at pio@ots.ca.gov and copy your OTS Coordinator at least 21 days in advance, or when first confirmed, a short description of any significant grant-related traffic safety

event or program, particularly events that are highly publicized beforehand with anticipated media coverage so OTS has sufficient notice to arrange for attendance and/or participation in the event. If unable to attend, email the OTS PIO and coordinator brief highlights and/or results, including any media coverage (broadcast, digital, print) of event within 7 days following significant grant-related event or program. Media and program highlights are to be reflected in QPRs.

- Any press releases, work plans, scripts, storyboards, artwork, graphics, videos or any educational or informational materials that received PIO approval in a prior grant year needs to be resubmitted for approval in the current grant year.
- Contact the OTS PIO or your OTS Coordinator for consultation when changes from any of the above requirements might be warranted.

C. Phase 3 – Data Collection & Reporting (Throughout Grant Year)

1. Prepare and submit invoice claims (due January 30, April 30, July 30, and October 30)

2. Prepare and submit Quarterly Performance Reports (QPR) (due January 30, April 30, July 30, and October 30)

- Collect and report quarterly, appropriate data that supports the progress of goals and objectives.
- Provide a brief list of activity conducted, procurement of grant-funded items, and significant media activities. Include status of grant-funded personnel, status of contracts, challenges, or special accomplishments.
- Provide a brief summary of quarterly accomplishments and explanations for objectives not completed or plans for upcoming activities.
- Collect, analyze and report statistical data relating to the grant goals and objectives.

4. METHOD OF EVALUATION

Using the data compiled during the grant, the Grant Director will complete the “Final Evaluation” section in the fourth/final Quarterly Performance Report (QPR). The Final Evaluation should provide a brief summary of the grant’s accomplishments, challenges and significant activities. This narrative should also include whether goals and objectives were met, exceeded, or an explanation of why objectives were not completed.

5. ADMINISTRATIVE SUPPORT

This program has full administrative support, and every effort will be made to continue the grant activities after grant conclusion.
