Dear Sandie,

Per your request, and per City Municipal Codes, I would like to be considered for reappointment to the Environmental and Sustainability Board for a two year term beginning in 2023, after my current term expires.

If you or the Board Liaisons should have any questions, or there is anything else I need to do, please reach out to me at your earliest convenience. I am In Nicaragua right now, but will answer back ASAP.

Thank you all for the consideration.
