212.04 IG, IL, and RT Districts—Land Use Controls

In the following schedules, letter designations are used as follows:

“P” designates use classifications permitted in the Industrial Districts.

“L” designates use classifications subject to certain limitations prescribed by the “Additional Provisions” which follow.

“PC” designates use classifications permitted on approval of a conditional use permit by the Planning Commission.

“ZA” designates use classifications permitted on approval of a conditional use permit by the Zoning Administrator.

“TU” designates use classifications allowed upon approval of a temporary use permit by the Zoning Administrator.

“P/U” for an accessory use means that the use is permitted on the site of a permitted use, but requires a conditional use permit on the site of a conditional use.

“Neighborhood Notification” refers to use classifications that require an Administrative Permit by the Director. Use classifications that are not listed are prohibited. Letters in parentheses in the “Additional Provisions” column refer to requirements following the schedule or located elsewhere in this zoning code. Where letters in parentheses are opposite a use classification heading, referenced provisions shall apply to all use classifications under the heading.
