Code Adoption Process

Code Adoption Process

- Every 3 years the State publishes a new set of building codes
- CA Building Standards Code (T24) governs construction of all buildings in the state
- Every city in CA is mandated to adopt the State codes
- Each city may amend the Code to address local conditions

Huntington Beach Municipal Code (Title 17)

HB Amendments

HB Amendments

- No new major building code requirements
- No new code amendments, only updates to existing:
 - Minor updates made due to code section numbering changes
 - Some previous amendments were removed as those amendments became CA code
 - Keep all other existing amendments

Implementation Plan

Implementation Plan

- Distribute Information/Illustrative handouts
- Update design and construction checklists
