**Subject:** Opinion on Items 12, 13, 16, and 18

Hi,  
This is Cheri Atkinson LCSW, and a long term resident of Huntington Beach.  
I ask you to vote

1. Item 12- Flag Ordinance- I ask you to vote NO- This has an negative impact on our LGBTQ residents in our community, and sends an unwelcoming message, and hurts the image of Huntington Beach.
2. Item 13 - Behavior in Public Structures- I ask you to vote NO. I have done the Point in Time count, and many of our homeless residents may stay there to escape the elements, to stay alive, until they are housed. THIS AS WELL AS ITEM 14, REFLECTS THAT A POLICING MODEL, OUT OF SIGHT< SOLVED THE HOMELESS MODEL, and it is a nonhumanitarian approach.
3. Item 16- Builder's Remedy Ordinance- I ask you to vote NO on this. By not approving the Housing Element, and the Builder's Remedy Ordinance, you are saying No, to affordable housing for those who work here, the disabled, seniors, the disabled, and our children.
4. Item 18- Allowing ADU applications- I ask you to vote Yes- This allows for affordable housing, for seniors, young residents, three generational families. It is a win for so many.

Please acknowledge that you received and read this.

**Subject:** SB9 & ADU Legal Challenge

Good morning,

I would like to find out more information on why the city is challenging SB9 & ADU's. What is the city trying to achieve with this challenge and what is the future of ADU & SB9 in the city of Huntington Beach. Any information you can provide me would be greatly appreciated.

Thank you,

Please direct the City Manager to continue processing SB9 ADU permits. This is a wonderful way to encourage Huntington Beach families to stay together and support each other through these trying economic times. Providing responsible allowances to facilitate the construction of granny flats will only enrich the community we have and lessen the burden for the younger generation, who in turn can care for their parents as they become more senior.

Vote No.

NO MORE HIGH DENSITY NOW! Kalmick, you have never listened to the residents. Perfect example. I and my family and neighbors want California's best City Attorney to 'Zig' with his legal expertise.

GO GATES GO!!!

Freeze the application process NOW bc we know that you ,KALMICK, and your cohorts will attempt to create an influx of applications before Michael Gates wins. The citizens have learned a lot about you over your term that is not beneficial to you.

Thank you.

item 12 We are strongly against the new flag ordinance being voted on tonight. The council is making a mistake, if passed, you can expect other companies to pull out of having events in a homophobic city.

item 16 follow the state law, it's going to cost us stupid money to fight construction of affordable housing.

item 17 we really like the no cars on main street and will miss the outdoor dining.

item 18 we are in favor of this item to continue to process adu permits.
