Community and Library Services

7. 24-219 Adopted Ordinance No. 4318 adding Chapter 2.66 to the Huntington Beach Municipal Code Relating to the Community-Parent Guardian Review Board for Review of Procurement of Children's Library Material (Approved for Introduction on 3/19/2024 by a vote of 4 – 3 (Moser, Bolton, Kalmick-No))

Councilmember Kalmick pulled this item to clarify additional concerns he had after the March 19, 2024, Council discussion. His concerns relate to process; timeline; whether ordinance applies to only new book purchases or includes re-purchase of old books; whether or not guidelines have been, or will be, established; Municipal Code Section 2.30.020 - Objectives of the Department of Community and Library Services, (M) Develop, maintain and promote relevant library material collections by skilled professional librarians; possibility of committing a felony if books containing obscenity are ordered from out of state; no consideration of how this Committee would interact with a contracted library; and AB 1825 recently added language which is working its way through the system and could become State law.

Councilmember Moser read the existing Collection Development Policy from the City's website which she believes has been thought through, relies on professional librarians, considers the needs of the entire community, and provides a "Request for Item Removal" process. This process already equips the library system with a comprehensive mechanism to address the concerns over library materials in a manner that is respectful, inclusive, and protective of the community's diverse needs and right to freely access information.

A motion was made by Moser to advocate for the Continuation and Reinforcement of the Huntington Beach Public Library's existing Collection Management Policy, specifically the Request for Item Removal section. She stated that her motion affirms City Council commitment to a cost effective, equitable and

pragmatic solution that honors the community's right to a diverse, dynamic and democratic library service. Councilmember Kalmick provided a second to the motion.

Councilmember Bolton addressed Senior Deputy City Attorney Connor Hyland to state her concern for the potential of a conflict between the Library Bill of Rights and the Huntington Beach Municipal Code as referenced by Councilmember Kalmick, and recited language in the Library Bill of Rights to demonstrate Code inconsistencies.

The motion made by Moser, seconded by Kalmick to advocate for the Continuation and Reinforcement of the Huntington Beach Public Library's existing Collection Development Policy, specifically the Request for Item Removal section, failed by the following roll call vote:

AYES: Moser, Bolton, and Kalmick
NOES: Burns, Van Der Mark, Strickland, and McKeon

A motion was made by Strickland, second Burns to adopt Ordinance No. 4318, "An Ordinance of the City Council of the City of Huntington Beach amending the Huntington Beach Municipal Code by adding new chapter 2.66 Entitled "Community Parent-Guardian Review Board for Procurement of Children's Library Materials.""

The motion carried by the following roll call vote:

AYES: Burns, Van Der Mark, Strickland, and McKeon
NOES: Moser, Bolton, and Kalmick

Councilmember Moser reiterated her support for continuing the library's existing Collection Development Policy as a way to proceed without breaking the library's procurement system, rather than increasing the burden on staff, financial burden to purchase all of these books, increasing liability exposure, and giving away Council rights because this Committee's decisions are unappealable.

At 8:06 PM, Mayor Van Der Mark called for a brief recess to restore order in the Chambers; at 8:11 PM, the meeting was reconvened.

Community Development

8. 24-146 Adopted Resolution No. 2024-10 declaring weeds and rubbish a nuisance on specific properties and scheduling a Public Hearing on May 7, 2024, at 6:00 p.m. for protests and objections to the abatement thereof

A motion was made by Strickland, second Burns to adopt Resolution No. 2024-10 "A Resolution of the City Council of the City of Huntington Beach Finding and Declaring That Certain Weeds Growing in the City and Rubbish and Refuse Deposited on Public Ways and Private Property are a Public Nuisance; and Fixing the Time for Hearing Protests and Objections to the Abatement Thereof."

The motion carried by the following roll call vote:

AYES: Moser, Bolton, Burns, Van Der Mark, Strickland, McKeon, and Kalmick
NOES: None

Public Works

9. 24-178 Denied Sixth Amendment to the West Orange County Water Board Joint Powers Agreement to adjust Director stipends to \$200 per meeting

As current Board Members of the West Orange County Water Board, Mayor Van Der Mark and Mayor Pro Tem Burns recused themselves from participation and left the room. In addition, as he currently services as Alternate Member of the West Orange County Water Board, Councilmember McKeon recused himself from participation and left the room.

Councilmember Kalmick pulled this item to state he does not believe there is a need to double the stipend even though it has not been raised in 19 years because generally meetings only last 30 – 45 minutes. Councilmember Kalmick and Public Works Director Chau Vu Jun discussed reasons for changing from virtual meetings during COVID-19 and returning to in-person meetings.

Councilmember Strickland stated he believes it is up to the Water Board, not Huntington Beach Councilmembers, whether they meet virtually or in person.

Councilmember Bolton and Director Vu discussed the background for this recommendation, and Director Vu explained the recommendation came from the non-Huntington Beach members of the Water Board. Councilmember Bolton shared her opinion this request is fiscally irresponsible and outrageous because the bulk of the stipend fees are paid by Huntington Beach taxpayers, and suggested the best solution is to return to virtual meetings.

Councilmember Strickland clarified that this item is a recommendation from the West Orange County Water Board and no one on the dais, including those who recused themselves, have stated support for this item.

Councilmembers Strickland and Kalmick confirmed with Director Vu that the West Orange County Water Board will review this matter again as it is a change to the Joint Powers Agreement. Director Vu will check the Board By-Laws to determine if the final Board decision requires a unanimous or majority vote.

Councilmember Moser clarified that a majority of West Orange County Water Board members voted on this item before it was presented to the Huntington Beach City Council.

A motion was made by Kalmick, second Strickland to deny 6th amendment to the West Orange County Water Board Joint Powers Agreement to adjust Director stipends to \$200 per meeting.

The motion carried by the following roll call vote:

AYES: Moser, Bolton, Strickland, and Kalmick
NOES: None
ABSENT/OUT
OF ROOM: Burns, Van Der Mark, McKeon
