

Downtown Shuttle Service

December 19, 2023

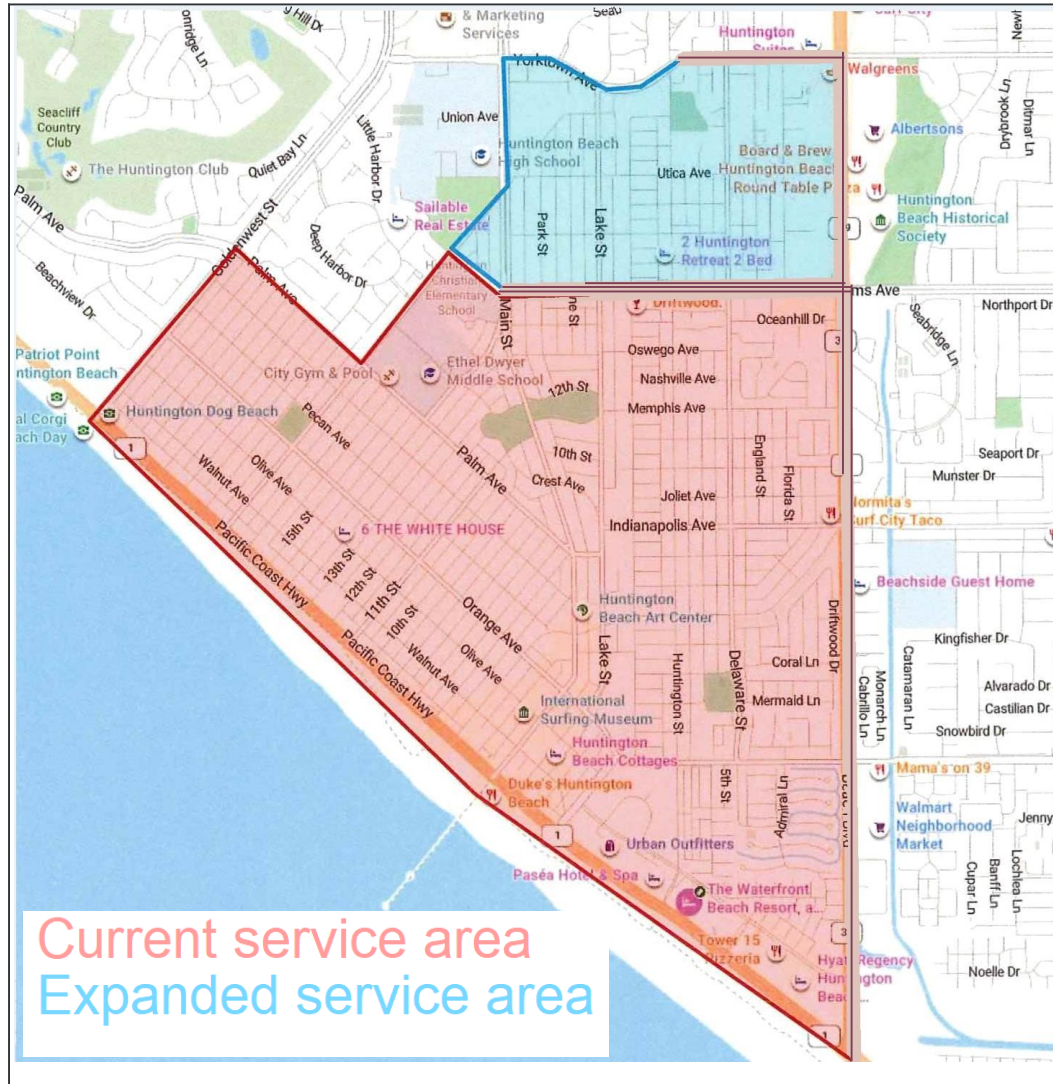

Circuit Transit, Inc.

Circuit Transit, Inc. will provide shuttle services in the City of Huntington Beach to relieve traffic congestion in the downtown area with their fleet of electric vehicles.

A two-year service agreement in the amount of \$1,535,426 has been negotiated.

Circuit Transit, Inc.

The service area has been expanded and a plan has been made to increase the service level from 4 to 7 vehicles by April 1, 2024 and will include an ADA accessible vehicle.

Funding Sources

- OCTA funds \$806,240
- AQMD/MSRC funds \$279,186
- State funds \$350,000
- In-lieu Parking Fee funds \$100,000

The entirety of these funds may not be necessary as the City will be credited with 50% of the net advertising revenue as well as 80% of fare revenue on a monthly basis.
