BACKGROUND

In 2021, the CITY determined that the best budgetary option for maintaining and preparing the CITY's athletic fields was to contract with an outside service provider, eliminating the need of in-house personnel with respect to these services. Currently, the CITY's outlying athletic fields consist of:

Edison Park

21377 Magnolia Street
(2) Softball Fields

Murdy Park

7000 Norma Drive
(2) Softball Fields

Greer Park

6900 McFadden Avenue
(1) Softball Field

Worthy Park

1831 17th Street
(1) Softball Field

SCOPE OF WORK

CONTRACTOR shall provide infield maintenance and field preparation services for the CITY's athletic fields located at Murdy Park, Edison Park, Worthy Park and Greer Park. CONTRACTOR shall furnish all labor, equipment, and supervision to provide required field maintenance and preparation services provided in, but not limited to, this Scope of Work. Best industry practices and/or best field management practices may require additional services not explicitly noted in this RFP. The Proposer should identify any additional services required, provide a price, and explain the addition in their response. CITY will work with selected CONTRACTOR to establish a mutually agreed upon Scope of Work during the contract development stage.

Note that fields may operate seven (7) days per week, year-round, and that CITY staff may not be available on federally observed holidays.

The CITY and CONTRACTOR shall follow all health and safety guidelines and regulations, put forth by the Federal, State, County, and other governmental health agencies. The CITY reserves the right to change the schedule due to inclement weather, natural disasters, health and safety, facility issues, or other acts beyond the control of the CITY.

The Community & Library Services Department will monitor the services provided by the CONTRACTOR. If the services are not deemed satisfactory, the CONTRACTOR will be given verbal and written notice that may affect the future use of the CONTRACTOR by the CITY or cause termination of the Agreement.

A. CONTRACTOR Responsibilities:

1. CONTRACTOR shall perform the following services for athletic fields as outlined in this sample schedule:
 - Daily – Drag, water, line fields (game days only), chalk infield foul lines, pitcher's and batter's boxes, clean and blow out dugouts. Hand rake infield areas along the arc to reduce berms. Field preparation work to be completed before the start of any scheduled events. Place field closure signs on fields after completion;
 - Weekly – Turf edge maintenance, nail grading (as appropriate), paint outfield line;
 - Monthly – Inspect and repair/replace base anchors, pitching rubbers, and batter's boxes;
 - As needed – Fill low spots with brick dust, Turface, or similar material, and berm maintenance.

The CITY’s contractor evaluation and selection process is based on Qualifications Based Selection (QBS) for professional services. The evaluation committee shall not be obligated to accept the lowest priced proposal, but shall make an award in the best interest of the CITY.

After written proposals have been reviewed, discussions with prospective firms may or may not be required. If scheduled, the oral interview will be a question/answer format for the purpose of clarifying the intent of any portions of the proposal. The individual from your firm will be directly responsible for carrying out the contract, if awarded, should be present at the oral interview.

A Notification of Intent to Award may be sent to the CONTRACTOR selected. Award is contingent upon the successful negotiation of final contract terms.
