Harbour Marina Trash Skimmers Trash  
Removal Project**

Subtitle: Public Works Department  
Date: June 3, 2025

# BACKGROUND

- In 2016, the City was awarded a grant from OCTA's Measure M2 Environmental Clean-up Project (ECP) Tier 1 to purchase and install Marina Trash Skimmers (MTS) in Huntington Harbour
- The City purchased and installed 7 MTS units in various locations in Huntington Harbour
- The MTS units are designed to attach to docks to capture and remove trash/debris from harbor waters
- L&G Enterprises was contracted by the City in 2018 to provide maintenance services of the MTS units over ten years
- Amendment No. 1 would add \$56,000 to the original contract amount of \$100,080 to the remainder of the contract term which expires in 2028

# NEED/WHY/BENEFITS

- The MTS units were purchased and installed to address floating and partially submerged trash/debris in Huntington Harbour
- The MTS units are located in areas (5 locations) where trash/debris tends to accumulate
- In addition to removing trash/debris, the MTS also oxygenate the water thereby preventing odors from stagnant water
- The MTS units remove over 100,000lbs of trash/debris per calendar year

# DETAILS

- Original contract amount - \$100,080
- Additional \$56,000 requested to supplement original amount
- Request for additional funding due to a higher than anticipated level of service and replacement of parts such as pumps, filters, and electrical components

# FUNDING/SCHEDULE

- Amendment No. 1 would add \$56,000 to the original \$100,080 as approved by Council in 2018
- Funding for the additional funds would come from account number 10085206.64620

# RECOMMENDATION

- Approve and authorize the Mayor and City Clerk to execute Amendment No. 1 to Agreement Between the City of Huntington Beach and L&G Enterprises for On-Call Maintenance of Marina Trash Skimmers Under the Huntington Harbour Marina Trash Skimmers Trash Removal Project
