

Updated Pier Plaza Flagpole Rededication Plaque

May 5, 2026

Background

On February 21, 2005, the original plaque was installed flush with the ground by the American Legion Post 133 to honor the American Legion and others who generously contributed their time and resources to raise approximately \$18,000 to purchase and install the Pier Plaza flagpoles.

Because of the ground level installation, people were able to walk on the plaque, which hastened the plaque's wear and tear.

Additional Background

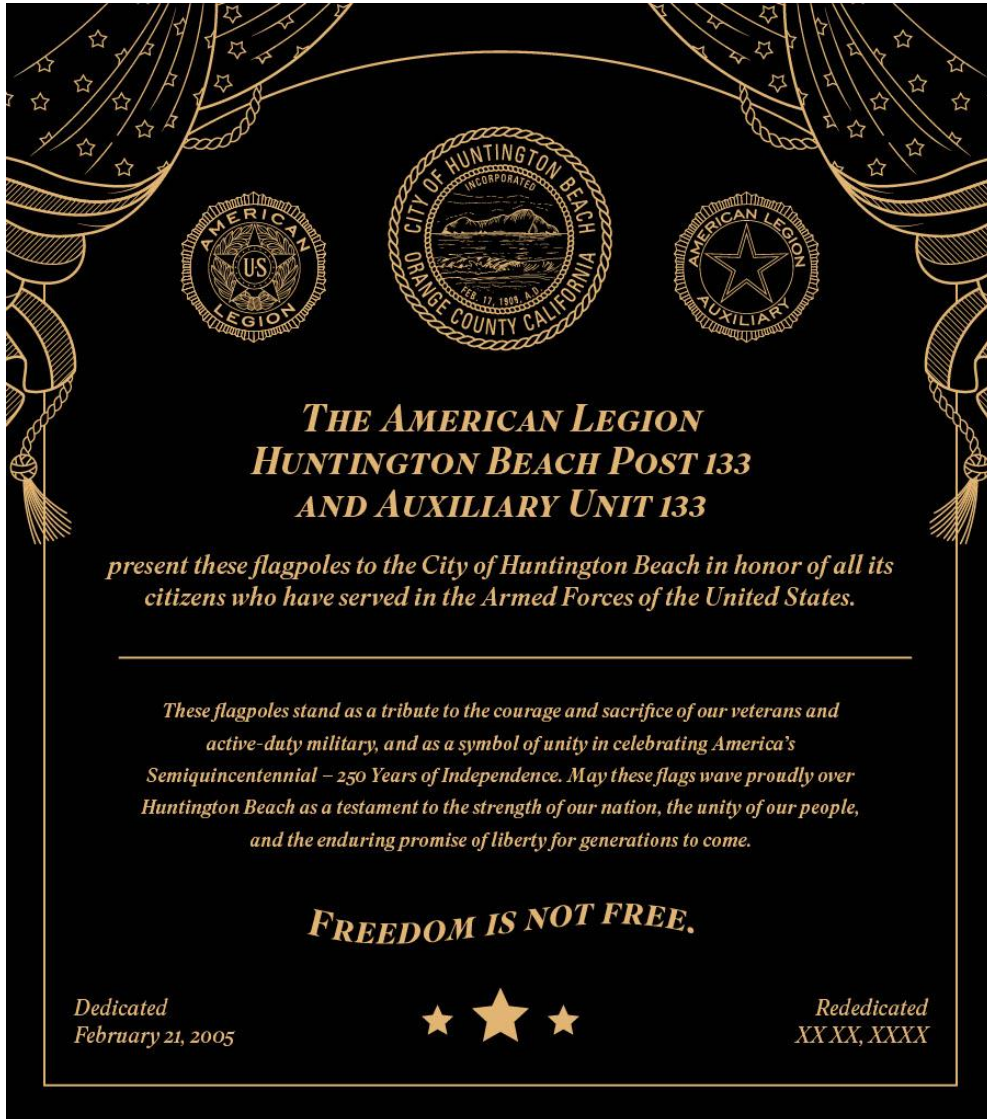

In September 2025, Eagle Scout candidate Brenden Bauer completed a project to elevate the existing plaque to a raised pedestal.

Unfortunately, the plaque was stolen, creating the need for a replacement plaque.

Rededication Plaque

Staff have worked with Dennis Bauer and American Legion Post 133 to develop the rededication plaque language, memorializing the 2005 installation of the Pier Plaza flagpoles, honoring our veteran's and active-duty members and commemorating America's Semiquincentennial.

Recommendation

Approve the language, design and installation of the Pier Plaza flagpole rededication plaque honoring Veterans and America 250, as recommended by the Community & Library Services Commission on April 8, 2026.
