

Rivian Loaned Vehicle Agreement

June 16, 2026

Background

- Rivian, LLC, wishes to provide a loaned vehicle for Fire Department use
- It will support Department operations, including:
 - Community outreach
 - Public education events
 - Community risk reduction programs
 - Emergency response activities
- This donation provides a unique partnership which allows Rivian to explore and develop applications for electric vehicles within the public sector
- Approval will enhance service delivery, expand community engagement, and provide operational feedback for public safety vehicle development without expenditure of City funds

Recommendation

Authorize the designation of the City Manager and/or Fire Chief to execute the agreement between Rivian, LLC, for a loaned vehicle for Fire Department usage
