Dear Business Owner:

Thank you for your payment. Attached is your City of Huntington Beach Business License. Please note that approximately 3 weeks prior to the license expiration date, you will be mailed a courtesy renewal notice for the coming year. If for any reason your renewal notice does not arrive, you are still responsible to renew and pay your business license amount prior to the expiration date. Late penalties will accrue if this payment is not received by the expiration date.

Please post the business license in a conspicuous place. If you do not transact business from a fixed location within the city, you must carry this license with you at all times. Your business vehicle should also carry this license, and the license plate number of the vehicle(s), if applicable, should match the one on the business license. Please notify Business License if there are any changes of ownership, address, business name, business vehicle, or type of business conducted. Additionally, please notify the city if you discontinue your business.
